Mark Wilson
State Director
Office of Career and Technical Education
700 Governors Drive
Pierre, SD 57501-2291

Dear Mark,

I am writing to request approval for a name change for our CAD Engineering Technology program and our Architectural/Construction Engineering Technology program.

We are requesting that the name of the CAD Engineering Technology program to be changed to Mechanical Engineering Technology to better match current curriculum.

We are requesting the name of the Architectural/Construction Engineering Technology program to be changed to Architectural Engineering Technology. We are dropping the Construction segment of this program due to the addition of our Construction Management program.

If you have any questions please feel free to give me a call at 367-5462. Thank you.

Sincerely,

Craig Peters, EdD
Director of Academic Support
Southeast Technical Institute

cc: Jim Jacobsen, Vice- President of Academics, Southeast Technical Institute
Jeff Holcomb, President, Southeast Technical Institute
