

# College Ready Coursework

What is it?

- Coursework in math, reading, and English. See what teachers and students have to say about the program, <http://bit.ly/1Em9cVr>
- Students complete a pre-test to determine which skills they need support in then work through online modules developing the specific skills.
- Students will complete the program by taking an Accuplacer placement assessment. Those who meet SDBOR [benchmarks](#) can enroll into credit-bearing coursework at South Dakota public universities.

Who should take it?

- Students who have skill gaps.
- Recommendation: ACT sub scores of 15-19 in math or 13-17 in English or Level 2 on Smarter Balanced for math or English language arts.

Smarter Balanced	Level 1	Level 2	Level 3	Level 4
<b>11<sup>th</sup> Grade ELA</b>	Below 2492	2493-2582	2583-2681	2682 & Above
<b>11<sup>th</sup> Grade Math</b>	Below 2542	2543-2627	2628-2717	2718 & Above

Benefits:

- Save both time and money
- Tailored coursework is generated
  - Targets students weaknesses
  - Supported by certified teacher

Implementation Option #1

- Online through SD Virtual High School:
- \$125-\$175 (State funding available to reimburse costs for public students)
  - Dependent on timeframe
  - 10 weeks, 6 months, & 12 months
- Learn More: <http://www.sdvs.k12.sd.us/Students/CollegeReadiness.aspx>

Implementation Option #2

- Face to Face course at your school with a highly qualified instructor
- State funding available to cover costs of coursework for public district
