## Course Description:

Career Exploration is an exploratory course that helps students identify their skills and interests while also providing direction towards possible career choices. This course provides an understanding of the sixteen career clusters. This course will help students create and maintain career plans through experiential learning and hands-on activities.

This course may be taught in the middle school and/or high school levels. Teachers of record may modify their implementation of the course content standards based on student developmental level.

## Program of Study Application

Career Exploration is a foundation course that is intended to precede further studies at the career cluster and career pathway levels.
