**Special Notes:**

- ✓ Program Labels track progress by comparing entry and exit scores in Part C and Part B programs. Data is used for Indicator B7 (Part B 619 Preschool Outcomes) and Indicator C3 (Birth-3 Early Child Outcomes). Eligibility can be determined using criteria other than the BDI; Program Label still applies.
- ✓ If a student will not receive 6 months of services before the 6<sup>th</sup> birthday, BDI-3 **DOES NOT** have to be given.
- ✓ When Exit assessments are missing (i.e., student moves suddenly), the student will not have an exit program label.
- ✓ Program Labels need to be assigned within 90 days of the Electronic Record Form being committed; allowing the student's information to become available for reporting. [Microsoft Word - Record Forms \(riversideinsights.com\)](https://doe.sd.gov/sped/documents/I7-Flowchart-22.pdf)
