**Program monitoring and evaluation.**

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
  - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
  - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

**State monitoring--Quantifiable indicators and priority areas.**

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
  - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
  - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
- 

**State enforcement -- Determinations.**

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

#### **Deficiency correction procedures.**

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

#### **GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR**

**24:05:27:01.03. Content of individualized education program.** Each student's individualized education program shall include:

- (1) A statement of the student's present levels of academic achievement and functional performance, including:
  - (a) How the student's disability affects the student's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled students); or
  - (b) For preschool student, as appropriate, how the disability affects the student's participation in appropriate activities;
- (2) A statement of measurable annual goals, including academic and functional goals, designed to:
  - (a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and
  - (b) Meet each of the student's other educational needs that result from the student's disability;
- (6) The projected date for the beginning of the services and modification described in this section and the anticipated frequency, location, and duration of those services and modifications;
- (7) A description of how the student's progress toward the annual goals described in this section will be measured and when periodic reports on the progress the student is making toward meeting the annual goals (such as through the use of quarterly or other periodic reports, concurrent with the issuance of report cards) will be provided;

**24:05:27:01.01. IEP team.** Each school district shall ensure that the IEP team for each student with disabilities include the following members:

- (2) Not less than one regular education teacher of the student if the student is, or may be, participating in the regular education environment;
- (3) Not less than one special education teacher of the student or, if appropriate, at least one special education provider of the student;

**24:05:30:05. Content of notice.** The notice must include the following:

- (1) A description of the action proposed or refused by the district, an explanation of why the district proposes or refuses to take the action, and a description of any other options the IEP team considered and the reasons why those options were rejected;
- (2) A description of each evaluation procedure, assessment, record, or report that the district uses as a basis for the proposal or refusal;
- (3) A description of any other factors which are relevant to the district's proposal or refusal;

**24:05:28:02. Continuum of alternative placements.** Alternative placements which must be made available include the following:

- (1) Regular educational programs with modification;
- (2) Resource rooms;
- (3) Self-contained programs;
- (4) Separate day school programs;
- (5) Residential school programs;
- (6) Home and hospital programs; and
- (7) Other settings.

For each of the programs listed in this section, the IEP team shall determine the extent to which related services are required in order for the child to benefit from the program. The length of the school day must be equal in duration to that of a regular public school day unless an adjusted school day is required to meet the individual needs of the child. The IEP team shall provide for supplementary services, such as resource room or itinerant instruction, to be provided in conjunction with regular class placement, as applicable.

In those cases where placement is made in a separate day school program or residential school program, the district may abide by the school term of the facility in which the child is placed based on the individual needs of the child.

**24:05:25:26. Extended school year authorized.** The district shall provide extended school year services to eligible children if the IEP team determines on an individual basis that such services are necessary for the provision of FAPE.

An IEP pursuant to chapter 24:05:27 shall be developed and implemented by the IEP team that addresses the need for extended school year services. The IEP team shall determine the length of the school day and duration of extended school year services based on the individual child's needs.

In implementing the requirements of this section, a district may not:

- (1) Limit extended school year services to particular categories of disability;
- (2) Unilaterally limit the type, amount, or duration of those services; or
- (3) Apply a regression/recoupment criterion to children in need of prolonged assistance.

As used in this section, the term, extended school year services, means special education and related services that meet the standards of the state and are provided to a student with a disability beyond the normal school year of the district, in accordance with the student's IEP and at no cost to the parents of the student.

**24:05:25:03.04. Evaluation procedures -- Notice.** The school district shall provide notice to the parents of a child with a disability, in accordance with this article, that describes any evaluation procedures the district proposes to conduct.
