**Program monitoring and evaluation.**

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
  - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
  - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

**State monitoring--Quantifiable indicators and priority areas.**

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
  - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
  - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
- 

**State enforcement -- Determinations.**

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

#### **Deficiency correction procedures.**

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

#### **GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR**

**24:05:17:09. Return of information.** Local education agencies shall return information on counting eligible children to the Office of Data Collection. Each local school superintendent shall certify in writing that the information provided is an accurate and unduplicated count of children with disabilities receiving special education or special education and related services on December 1 of each school year. If December 1 falls on Saturday or Sunday, the count shall be taken on the first working day following the weekend.

**24:05:25:03.04. Evaluation procedures -- Notice.** The school district shall provide notice to the parents of a child with a disability, in accordance with this article, that describes any evaluation procedures the district proposes to conduct.

**24:05:25:04. Evaluation procedures -- General.** School districts shall ensure, at a minimum, that evaluation procedures include the following:

(1) Assessments and other evaluation materials are provided and administered in the child's native language or by another mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer. In addition, assessments and other evaluation materials:

- (a) Are used for the purposes for which the assessments or measures are valid and reliable; and
- (b) Are administered by trained and knowledgeable personnel in conformance with the instructions provided by their producer;

(4) No single measure or assessment is used as the sole criterion for determining eligibility or an appropriate educational program for a child;

(5) A variety of assessment tools and strategies are used to gather relevant functional, developmental, and academic information about the child, including information provided by the parents, that may assist in determining:

- (a) Whether the child is a child with a disability; and
- (b) The content of the child's IEP, including information related to enabling the child:
  - (i) To be involved in and progress in the general education curriculum; or
  - (ii) For a preschool child, to participate in appropriate activities;

**24:05:25:04.02. Determination of needed evaluation data.** As part of an initial evaluation, if appropriate, and as part of any reevaluation, the individual education program team required by § 24:05:27:01.01 and other qualified professionals as appropriate with knowledge and skills necessary to interpret evaluation data, shall:

- (1) Review existing evaluation data on the child, including:
  - (a) Evaluations and information provided by the parents of the child;
  - (b) Current classroom-based local or state assessments and observations; and
  - (c) Observations by teachers and related services providers; and
- (2) Based on the above review and input from the student's parents, identify what additional data, if any, are needed to determine:
  - (a) Whether the student has a particular category of disability as described in this article;
  - (b) The present levels of academic achievement and related developmental needs of the student; and
  - (c) Whether the student needs special education and related services.

The school district shall administer assessments and any other evaluation materials as may be needed to produce the data required to make the determinations listed in subdivision (2) of this section. If no additional data are needed to make the determinations listed in subdivision (2) of this section, the school district shall notify the student's parents of this fact and the reasons for this decision. The group described in this section may conduct its review without a meeting.

**24:05:25:26. Extended school year authorized.** The district shall provide extended school year services to eligible children if the IEP team determines on an individual basis that such services are necessary for the provision of FAPE.

An IEP pursuant to chapter 24:05:27 shall be developed and implemented by the IEP team that addresses the need for extended school year services. The IEP team shall determine the length of the school day and duration of extended school year services based on the individual child's needs.

In implementing the requirements of this section, a district may not:

- (1) Limit extended school year services to particular categories of disability;
- (2) Unilaterally limit the type, amount, or duration of those services; or
- (3) Apply a regression/recoupment criterion to children in need of prolonged assistance.

As used in this section, the term, extended school year services, means special education and related services that meet the standards of the state and are provided to a student with a disability beyond the normal school year of the district, in accordance with the student's IEP and at no cost to the parents of the student.

**24:05:27:01.03. Content of individualized education program.** Each student's individualized education program shall include:

- (2) A statement of measurable annual goals, including academic and functional goals, designed to:
  - (a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and
  - (b) Meet each of the student's other educational needs that result from the student's disability;
- (3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:
  - (a) To advance appropriately toward attaining the annual goals;
  - (b) To be involved and make progress in the general education curriculum in accordance with this section and to participate in extracurricular and other nonacademic activities; and

- (c) To be educated and participate with other students with disabilities and nondisabled students in the activities described in this section;
- (6) The projected date for the beginning of the services and modification described in this section and the anticipated frequency, location, and duration of those services and modifications;
- (8) Beginning not later than the first IEP to be in effect when the student turns 16, or younger if determined appropriate by the IEP team, and updated annually thereafter, the IEP shall include:
  - (a) Appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education, employment, and, if appropriate, independent living skills; and

**24:05:27:01.01. IEP team.** Each school district shall ensure that the IEP team for each student with disabilities include the following members:

- (1) The parents of the student;
- (2) Not less than one regular education teacher of the student if the student is, or may be, participating in the regular education environment;
- (3) Not less than one special education teacher of the student or, if appropriate, at least one special education provider of the student;
- (4) A representative of the school district who:
  - (a) Is qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of students with disabilities;
  - (b) Is knowledgeable about the general education curriculum; and
  - (c) Is knowledgeable about the availability of resources of the school district;

**24:05:30:04. Prior notice.** Written notice which meets the requirements of § 24:05:30:05 must be given to the parents five days before the district proposes or refuses to initiate or change the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to the child. The five-day notice requirement may be waived by the parents.

**24:05:25:06. Reevaluations.** A school district shall ensure that a reevaluation of each child with a disability is conducted in accordance with this chapter if the school district determines that the educational or related service needs, including improved academic achievement and functional performance, of the child warrant a reevaluation or if the child's parents or teacher requests a reevaluation.

A reevaluation conducted under this section may occur not more than once a year, unless the parent and district agree otherwise, and must occur at least once every three years, unless the parent and the district agree that a reevaluation is unnecessary.

Reevaluations must be completed within 25 school days after receipt by the district of signed consent to reevaluate unless other time limits are agreed to by the school administration and the parents consistent with § 24:05:25:03.
