Non-Gap*	*	*	*	79.25

* No data will display at the school, district, or state level if the subgroup does not meet minimum size for reporting purposes.

The Gap group includes any student who belongs to one or more of the following subgroups: Black; Hispanic; American Indian/ Alaskan Native; English Language Learner; Students with Disabilities; Economically Disadvantaged. Students not belonging to any of these groups are included in the Non-Gap group.

Prior year college readiness results were calculated based only on ACT performance; current year results reflect both ACT and Accuplacer.

Prior year career readiness results are not available.

NAEP Overview

South Dakota Results for NAEP 2015

The National Assessment of Educational Progress (NAEP) or the "Nation's Report Card" is administered on a biannual basis to a sample of 4th and 8th graders in every state. The most recent NAEP data available are for the 2015 administration. Each student takes a portion of a reading or mathematics assessment. The NAEP results are reported for the state as well as the nation and there are no published school or district results.

For some small subgroups in South Dakota the reporting requirement is not met and therefore no data are available. Therefore, race/ethnicity and Limited English Proficiency data are not consistent across all the reports.

NAEP achievement levels are not necessarily equivalent to proficiency levels used with South Dakota's state assessment, Smarter Balanced, or for its former assessment, DSTEP. For more information on the mathematics and reading achievement levels go to: <http://nces.ed.gov/nationsreportcard/mathematics/achieve.asp> or <http://nces.ed.gov/nationsreportcard/reading/achieve.asp>.

Participation Rates

Participation rates for Students with Disabilities and Limited English Proficient can be found in the table below. The actual participation rates for NAEP will differ from the rates on the state assessment since NAEP does not allow the all the accommodations used by Smarter Balanced or the alternate assessment. Students taking alternate assessments do not participate in NAEP.

Students with Disabilities	Reading	Mathematics
Grade 4	86%	94%
Grade 8	88%	88%

Limited English Proficient	Reading	Mathematics
Grade 4	83%	91%
Grade 8	*	*

*Reporting standards not met

If there are questions about the NAEP data reported below, contact the South Dakota NAEP State Coordinator, Mike Rickert at michael.rickert@state.sd.us
