- 24:28:16:12. Secretary's powers unaffected.

24:28:16:01. Eligibility for reciprocity based on completion of approved program.

The Secretary may issue an educator certificate to the applicant for reciprocal certification who completes an approved program for educator certification and has:

- (1) Received a teacher, administrator, or educator specialist license or certificate in a state other than South Dakota, exclusive of a temporary, emergency, substitute or provisional

certificate. The license or certificate shall be equivalent to an educator certificate issued by the Secretary and meet all of the requirements of that state for full certification;

(2) Completed a successful student teaching, internship, field experience; and

(3) Provided verification from the licensing state that there are no prior or pending disciplinary actions against the certificate holder for actual or alleged ethics violations.

Law Implemented: SDCL 13-1-12.1, 13-42-1 to 13-42-4, inclusive, 13-43-5, 13-43-5.1.

24:28:16:02. Eligibility for reciprocity based on completion of alternative

certification. The Secretary may issue an educator certificate to the applicant for reciprocal certification who completes an alternative certification program in a state other than South Dakota. The applicant eligible for certification through reciprocity shall:

(1) Complete an alternative certification program in another U.S. state or territory;

(2) Complete the experience verification form, documenting three years of experience in the applicant's certification area within the last five years. The form shall be completed by the superintendent, principal, agency director, or designated personnel officer of the applicant's current or previous employing school district. If a current or former employer is unable or unwilling to complete the experience verification form, supplemental documentation provided by the applicant may be accepted at the Department's discretion;

(3) Provide documentation of a valid educator's license from the issuing state; and

(4) Provide verification from the licensing state that there are no past or pending disciplinary actions against the certification holder for actual or alleged ethics violations.
