

June 21, 2011

System-wide responses to 2012 State budget

- Restricted program enrollment and expansion
- Reduced faculty positions with commensurate reductions or restrictions on program size
- Eliminated or reduced child care center services
- Stopped expenditures on any capital items except for those that were mission essential or safety issues
- Stopped all travel except for minimal travel related to admissions functions, training requirements related to licensing requirements or other travel dictated by State or political requirements
- Froze or reduced staff and faculty wages
