## Course Description:

Consumer affairs prepares students for careers helping customers, including credit counselors, consumer reporters, writers, and consumer affairs directors. In this course, students will learn consumer advocacy such as consumer rights and responsibilities; testing and demonstration of products; consumer communications; and conservation practices such as recycling.

## Program of Study Application

Consumer Affairs is a pathway course in the Human Services career cluster, Consumer Services and Personal Care Services pathways. A student would participate in Introduction to Human Services prior to participation in this course. Consumer Affairs prepares a student to participate in additional pathway courses in the consumer services or personal care services pathways.
