A student may earn one or more endorsements that are in alignment with the student's personal learning plan. See *Endorsements* section.

**NOTES for PROPOSED requirements:**

- \* A state-approved advanced computer science course (with a list of approved courses to be provided) may be substituted for 1 unit of science (not including Biology).
- Credit for an approved CTE course may count for core content coursework if the district applies through SD DOE's *CTE for Core Content* program. See <http://doe.sd.gov/octe/corecontentcredit.aspx> for more information.
- Students may earn endorsements with their high school diploma if they choose. See the *Endorsements* section for specific endorsements.

**NOTES for CURRENT requirements:**

- ~With school and parent/guardian approval, a student may be excused from a math and/or science course in favor of a more appropriate course. In the area of Math, a student may be excused from taking Algebra II or Geometry, but not both. The student must still take three units of Math. In the area of Lab Science, a student may be excused from the requirement to take Chemistry and/or Physics. Students must still take three units of Lab Science. A student's parent or legal guardian and school counselor or administrator must agree to the decision, and the excuse must be documented at the local level.
- Credit for an approved CTE course may count for core content coursework if the district applies through SD DOE's *CTE for Core Content* program. See <http://doe.sd.gov/octe/corecontentcredit.aspx> for more information.

**Endorsements**

Within the coursework outlined under *South Dakota High School Diploma Requirements*, a student may earn one (or more) of three endorsements:

- Advanced Endorsement
- Advanced Career Endorsement
- Advanced Honors Endorsement

Endorsements outline specific coursework completed within the general high school diploma requirements to denote particular emphases. (*Substitutions noted above with an \* do not apply to Advanced and Advanced Honors endorsement requirements.*) Highlighted areas show the distinctions for each endorsement.

**Advanced Endorsement:**
