Interior Design

Course Description: Students explore the Visual Arts Pathway in the Arts, Audio/Video, Technology, and Communication Career Cluster. Interior design influences all aspects of our lives in home, school, and work. Understanding the knowledge and skills used in interior design will assist students in learning about the elements and principles of design. Space planning is also a focus for the middle school program.

Suggested Grade Level: 6, 7, or 8

Topics Covered:

- Careers
- Knowledge and skills
- Elements and principles of design
- Space planning
