

Title I Technical Assistance/Capacity Building Visits and Meetings

Districts receiving \$100,000 or less and do NOT have any Focus and/or Priority schools will participate in Technical Assistance/Capacity Building meetings once every four years in Pierre.

Districts receiving \$100,000 or more and do NOT have any Focus and/or Priority schools will have an on-site Title I Technical Assistance/Capacity Building visit once every four years.

If a district has at least one Focus and/or Priority school, a Title I visit will be conducted once every two years. Districts with Focus and/or Priority schools receiving less than \$100,000 will alternate meetings and on-site visits every two years. *******Please note: On-site Visits may change as schools are added or removed from Focus or Priority school status.**

DOE Title I Program Representatives will be in contact with the districts to schedule the visits and provide more information on the meetings.
