

**How do I get my child started in the Birth to Three program?**

- Contact your local Service Coordinator using service coordinator map <http://www.doe.sd.gov/oess/documents/B3mapserv.pdf> or call 1-800-305-3064.
- Once you have been contacted by your Service Coordinator, he or she will assist in the determination of your child's eligibility for early intervention services.
- The service coordinator will assist you with all aspects of moving through the process and checking your child's progress.
