Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

24:05:27:04.01. Parental consent for services. A school district that is responsible for making a free appropriate public education available to a student with a disability under this article shall obtain informed consent from the parent of the student before initially providing special education and related services to the student.

24:05:25:04.02. Determination of needed evaluation data. As part of an initial evaluation, if appropriate, and as part of any reevaluation, the individual education program team required by § 24:05:27:01.01 and other qualified professionals as appropriate with knowledge and skills necessary to interpret evaluation data, shall:

- (1) Review existing evaluation data on the child, including:
 - (a) Evaluations and information provided by the parents of the child;
 - (b) Current classroom-based local or state assessments and observations; and
 - (c) Observations by teachers and related services providers; and
- (2) Based on the above review and input from the student's parents, identify what additional data, if any, are needed to determine:
 - (a) Whether the student has a particular category of disability as described in this article;
 - (b) The present levels of academic achievement and related developmental needs of the student; and
 - (c) Whether the student needs special education and related services.

The school district shall administer assessments and any other evaluation materials as may be needed to produce the data required to make the determinations listed in subdivision (2) of this section. If no additional data are needed to make the determinations listed in subdivision (2) of this section, the school district shall notify the student's parents of this fact and the reasons for this decision. The group described in this section may conduct its review without a meeting.

24:05:25:03:04 Consent acquired for all evaluations administered. Preplacement evaluation. Before any action is taken concerning the initial placement of a child with disabilities in a special education program, a full and individual initial evaluation of the child's educational needs must be conducted in accordance with the requirements of this chapter. Initial evaluations must be completed within 25 school days after receipt by the district of signed parent consent to evaluate unless other timelines are agreed to by the school administration and the parents.

Written evaluation reports, determination of eligibility, and conducting an IEP team meeting must be completed within 30 days from the end of the 25 school day evaluation timeline. If another timeline for completing the evaluation process is agreed to by the parent and school administration, the written evaluation reports, determination of eligibility, and conducting an IEP team meeting must be completed within 30 days from the end of agreed upon evaluation timeline.

Consistent with the consent requirements in this section, either a parent of a child or a school district may initiate a request for an initial evaluation to determine whether the child is a child with a disability.

24:05:25:03.04. Evaluation procedures -- Notice. The school district shall provide notice to the parents of a child with a disability, in accordance with this article, that describes any evaluation procedures the district proposes to conduct.

24:05:27:01.02 Development, review, and revision of individualized education program. In developing, reviewing, and revising each student's individualized education program, the team shall consider the strengths of the student and the concerns of the parents for enhancing the education of their student, the results of the initial or most recent evaluation of the student, the academic, developmental, and functional needs of the student. The individualized education program team also shall:

- (1) In the case of a student whose behavior impedes his or her learning or that of others, consider the use of positive behavioral interventions and supports and other strategies to address that behavior;

24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

- (1) A statement of the student's present levels of academic achievement and functional performance, including:

- (a) How the student's disability affects the student's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled students); or
- (b) For preschool student, as appropriate, how the disability affects the student's participation in appropriate activities;

- (2) A statement of measurable annual goals, including academic and functional goals, designed to:

- (a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and
- (b) Meet each of the student's other educational needs that result from the student's disability;

For students with disabilities who take alternate assessments aligned to alternate achievement standards, each student's IEP shall provide a description of benchmarks or short-term objectives;

- (3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:

- (a) To advance appropriately toward attaining the annual goals;
- (b) To be involved and make progress in the general education curriculum in accordance with this section and to participate in extracurricular and other nonacademic activities; and
- (c) To be educated and participate with other students with disabilities and nondisabled students in the activities described in this section;

(4) An explanation of the extent, if any, to which the student will not participate with nondisabled students in the regular class and in activities described in this section;

(5) A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the student on state and district-wide assessments consistent with § 24:05:14:14. If the IEP team determines that the student shall take an alternate assessment instead of a particular regular state or district-wide assessment of student achievement, a statement of why:

- (a) The student cannot participate in the regular assessment; and
- (b) The particular alternate assessment selected is appropriate for the student;

(6) The projected date for the beginning of the services and modification described in this section and the anticipated frequency, location, and duration of those services and modifications;

24:05:30:04. Prior notice. Written notice which meets the requirements of § 24:05:30:05 must be given to the parents five days before the district proposes or refuses to initiate or change the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to the child. The five-day notice requirement may be waived by the parents.
