Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

ARSD's

24:05:25:03. Preplacement evaluation. Before any action is taken concerning the initial placement of a child with disabilities in a special education program, a full and individual initial evaluation of the child's educational needs must be conducted in accordance with the requirements of this chapter. Initial evaluations must be completed within 25 school days after receipt by the district of signed parent consent to evaluate unless other timelines are agreed to by the school administration and the parents.

24:05:25:03.04. Evaluation procedures -- Notice. The school district shall provide notice to the parents of a child with a disability, in accordance with this article, that describes any evaluation procedures the district proposes to conduct.

24:05:25:04. Evaluation procedures -- General. School districts shall ensure, at a minimum, that evaluation procedures include the following:

(5) A variety of assessment tools and strategies are used to gather relevant functional, developmental, and academic information about the child, including information provided by the parents that may assist in determining:

- (a) Whether the child is a child with a disability; and
- (b) The content of the child's IEP, including information related to enabling the child:

(i) To be involved in and progress in the general education curriculum;

(6) Technically sound instruments, assessment tools, and strategies are used that:

(a) May assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors; and

(b) Provide relevant information that directly assists persons in determining the educational needs of the child;

(8) The evaluation is sufficiently comprehensive to identify all of the child's special education and related services needs, whether or not commonly linked to the disability category in which the child has been classified.

24:05:25:12. Documentation of eligibility for specific learning disabilities. For a child suspected of having a specific learning disability, the documentation of the determination of eligibility shall contain a statement of:

(1) Whether the child has a specific learning disability;

(2) The basis for making the determination, including an assurance that the determination has been made in accordance with this section;

(3) The relevant behavior, if any, noted during the observation of the child and the relationship of that behavior to the child's academic functioning;

(4) The educationally relevant medical findings, if any;

(5) Whether:

(a) The child does not achieve adequately for the child's age or does not meet state-approved grade-level standards; and

(b) The child does not make sufficient progress to meet age or state-approved grade-level standards; or the child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, state-approved grade level standards or intellectual development;

(6) The determination of the group concerning the effects of a visual, hearing, or motor disability; cognitive disability; emotional disturbance; cultural factors; environmental or economic disadvantage; or limited English proficiency on the child's achievement level;

(7) If the child has participated in a process that assesses the child's response to scientific, research-based intervention:

- (a) The instructional strategies used and the student-centered data collected; and
- (b) The documentation that the child's parents were notified about:

- (i) The state's policies regarding the amount and nature of student performance data that would be collected and the general education services that would be provided;
- (ii) Strategies for increasing the child's rate of learning; and
- (iii) The parents' right to request an evaluation;

24:05:25:16.01. Participation of student in IEP team meeting. If a purpose of the IEP team meeting is the consideration of postsecondary goals and transition services for a student, and if the meeting is for a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP team, the notice also must:

(3) To the extent appropriate, with the consent of the parents or a student who has reached the age of majority, identify any other agency that is likely to be responsible for providing or paying for transition services and that will be invited to send a representative.

24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

(1) A statement of the student's present levels of academic achievement and functional performance, including:

(a) How the student's disability affects the student's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled students);

(2) A statement of measurable annual goals, including academic and functional goals, designed to:

(a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and

(b) Meet each of the student's other educational needs that result from the student's disability;

(3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:

- (a) To advance appropriately toward attaining the annual goals;
- (b) To be involved and make progress in the general education curriculum in accordance with this section and to participate in extracurricular and other nonacademic activities; and

(6) The projected date for the beginning of the services and modification described in this section and the anticipated frequency, location, and duration of those services and modifications;

(8) Beginning not later than the first IEP to be in effect when the student turns 16, or younger if determined appropriate by the IEP team, and updated annually thereafter, the IEP shall include:

- (b) The transition services (including courses of study) needed to assist the student in reaching those goals; and

24:05:27:04.01. Parental consent for services. A school district that is responsible for making a free appropriate public education available to a student with a disability under this article shall obtain informed consent from the parent of the student before initially providing special education and related services to the student.

The district shall make reasonable efforts to obtain informed consent from the parent for the initial provision of special education and related services to the child. To meet the reasonable efforts requirement, the district shall document its attempts to obtain parental consent using the procedures in § 24:05:25:17.

24:05:30:05. Content of notice. The notice must include the following:

- (2) A description of each evaluation procedure, assessment, record, or report that the district uses as a basis for the proposal or refusal;
- (3) A description of any other factors which are relevant to the district's proposal or refusal;
