SD-ACT Updates (for public-school districts only)

SD-ACT Reporting Timeline

SD-ACT results are now beginning to appear in both [ACT Success](#) and MyACT. For the state SD-ACT administration, the department will load all student results into the Infinite Campus Assessment tab and onto the Board of Regents (BOR) transcript within Infinite Campus. Because the Standard Setting process will take place in July, the statewide upload to Infinite Campus will likely occur in August. Performance Levels (Levels 1–4) will be finalized during the Standard Setting workshop, and results cannot be loaded into Infinite Campus until the cut scores are officially set. Below is an example of how these results will appear in Infinite Campus:
