CTE Innovative Equipment Grants

Perkins Innovative Equipment Grant funding is intended to identify, support, and modernize career and technical education (CTE) programs across South Dakota by providing approved CTE programs with equipment critical to helping students be prepared for high-wage, high-skill careers.

Eligible expenses: industrial equipment, installation costs, and professional development specific to equipment requested in the grant application

Award amounts: \$100,000 - \$250,000

Application deadline: Nov. 1, 2022

Award announcement: Dec. 1, 2022

Grant implementation period: Dec. 1, 2022 – Aug. 31, 2023

Submit one application per district or consortia at doe.sd.gov/cte

Gather your team and submit a proposal that supports the needs of all your CTE programs.

Questions? Contact Amy Miller at amy.miller@state.sd.us

Must follow Perkins guidelines and allowable costs, using Perkins funds to support CTE programs. Cannot be used for salaries and benefits; capital investments; consumables; purchases that become the property of any individual or organization other than the eligible recipient; or purchases or services beyond the project outcomes or activities. This grant is being funded with federal dollars available to the Department of Education through the American Rescue Plan and Coronavirus Response and Relief Appropriations Act (CRRSA).
