

UNIVERSITY OF
SOUTH DAKOTA
SCHOOL OF EDUCATION

METHODS IN CAREER AND TECHNICAL EDUCATION (CTE)

ELED 492/592 | SEED 492/592

3 CREDITS | ONLINE | SUMMER SESSION

(JUNE 12 - JULY 7, 2023)

This online course contains a series of content modules focused on the critical aspects of the history, philosophy and development of career and technical education (CTE) clusters and pathways, best practices in teaching South Dakota's CTE career clusters and methods of embedding career exploration into the K-12 classroom. The course is approved by South Dakota's Division of Career and Technical Education and Department of Education. The course satisfies the CTE methods course requirement to be endorsed to teach South Dakota's 16 career clusters.
