The SD-ACT and Your Data – Virtual Training Opportunity June 25

ACT is providing a virtual training around our state assessment, the SD-ACT. [Register](#) now – this opportunity is limited to the first 50 registrants. This training is designed for high school principals who are ready to read, understand, and interpret their SD-ACT data reports and don't want to stop there!

ACT presenters have extensive K12 data experience and will work with you using your assessment data to improve student learning, identify areas of strengths and opportunities, and move forward in the work you do to set your students up for success with the ACT.

Date: June 25, virtual

Time: 9:30 a.m. - 12:30 p.m. (CT)

Target Audience: High School Principals

Presenter: Bryan Williams, ACT

Capacity: 50 People

Registration Link: [Register on the DOE website](#). The meeting link will be provided to accepted registrants.

Learning Objectives:

- Review the SD-ACT foundational test structure to promote understanding of data use in school/district planning, goal setting, and action steps.
- Understand your school and district's current SD-ACT level of performance to develop focused next steps for improved student outcomes.
