

SOUTH DAKOTA BOARD OF EDUCATION STANDARDS
NOTICE OF PUBLIC HEARING: CONTENT STANDARDS

A public hearing will be held at Rapid City High School, Multi-purpose room, 601 Columbus Street, Rapid City, South Dakota, January 26, 2018 at 9:00 a.m. Mountain Time, to consider the adoption and implementation of content standards. This is the third of four public hearings regarding these standards.

The following standards will be considered during the hearing:

Health Education: The health education standards identify the core health concepts and the key processes and skills that are essential for adopting and maintaining health-enhancing behaviors.

Oceti Sakowin Essential Understandings & Standards: The Oceti Sakowin Essential Understandings & standards identify core concepts that are essential to understanding and teaching of the Oceti Sakowin history and culture.

Business Management & Administration: The business management & administration standards support students in developing technical skills in planning, organizing, directing and evaluating business functions essential to efficient and productive business operations.

Capstone Courses: The capstone courses support students in exploring a career cluster in-depth, assessing workplace skills and abilities, and developing leadership and employability skills for careers in each of the sixteen career clusters.

Government & Public Administration: The government & public administration standards support students in developing technical skills in planning and performing government functions at the local, state, and federal levels, including governance, national security, foreign service, planning, revenue and taxation, and regulations.

Hospitality & Tourism: The hospitality & tourism standards support students in developing skills in the management, marketing and operations of restaurants and other food services, lodging, attractions, recreation events and travel related services.

Marketing: The marketing standards support students in developing skills in planning, managing, and performing marketing activities to reach organizational objectives.

Transportation, Distribution & Logistics: The transportation standards support students in developing skills in planning the movement of materials and goods and related professional support services such as logistics and equipment maintenance and repair.

English Language Arts: The English language arts standards develop knowledge and skills students need to be college and career ready in literacy.

Math: The math standards develop mathematical fluency and understanding as well as problem solving and reasoning skills.

Persons interested in presenting public comment and testimony may do so by appearing in person at the hearing, or by submitting written public comment to the Department of Education, ATTN: Becky

Nelson, 800 Governors Drive, Pierre, South Dakota, 57501. Written public comment may also be submitted electronically, by clicking on the appropriate link on the following website: <http://doe.sd.gov/ContentStandards/review.aspx>. Written public comment must reach the Department no later than January 22, 2018 to be considered at the hearing.

Notice is further given to individuals with disabilities that this hearing is being held in a physically accessible place. Please notify the Department of Education at least 48 hours before the public hearing if you have special needs for which special arrangements must be made. The telephone number for making special arrangements is (605) 773-3553.

Copies of the proposed standards may be obtained at the following website:
