Current Waivers

Summer 2021

All waivers for SY20-21 have been extended through Summer 2021

You can choose to operate a summer feeding program if you have not in the past

Need to follow the Area Eligibility waiver in order to be eligible .

Most Summer 2021 waivers end the day before school begins. When school starts that is when SY21-22 waivers start (or July 1).

School Year 20-21 & 21-22

- Seamless Summer Option (SSO) can be used for SY21-22
 - All meals claimed will be reimbursed at the higher Summer Food Service Program reimbursement rates
- The SSO application within the iCAN system crosses program years

School Year 20-21 & 21-22

- CANS is working on getting sites ready
- Please do not make any adjustments to your iCAN application for SY20-21 until you receive notice from CANS
- Updates for SY21-22 within the SY20-21 iCAN Application will need to be approved by June 15, 2021

Don't touch your apps – *explain the time savings that we are attempting with this delay*

- Information pulls forward by having the SY20-21 SSO application approved prior to opening the SY21-22 application – less information will need to be re-entered – saves time, creates a more simplified application, lessens the confusion of multiple applications open at the same time, still plenty of time to complete the application for October
- No SNP = DO NOT touch SNP site apps w/in your SY21-22 application

CANS knows that FFVP and SMP are a part of the SY21-22 application and schools need that application open in order to apply, however, we are hoping that the time savings information pulling forward will outweigh the delay.

SSO and SNP AS probably will not be allowed. Still waiting on guidance...

Waiver Implementation

We will be using Microsoft Forms for agencies to apply for and implement waivers

There will be four SNP waiver forms

SY21-22 waivers can only be used as they are needed by your agency

Example MS Forms survey.
