Community Eligibility Provision - Participation Information and Application

Community Eligibility Provision (CEP) provides schools that participate in the National School Lunch Program (NSLP) and participate in, or are initiating, a School Breakfast Program (SBP) for the 2022-2023 school year with an alternative method for counting and claiming student meals in high poverty Local Educational Agencies (LEAs). LEAs electing to participate in CEP agree to serve all students free lunches AND breakfasts for four successive school years. **Those that wish to participate in CEP must sign and return the CEP Agreement and verify the data reported in the iCAN CEP Site List by May 31, 2022.** Schools choosing to participate in CEP will agree to do so for at least one year. If the school decides to no longer participate in CEP the school must notify CANS no later than June 30 before the school year they wish to withdraw from CEP. In addition, any school wanting to add/change sites can do so yearly by notifying CANS by June 30 of the preceding year. If the cost of serving breakfasts and lunches are not covered by the Federal assistance received, the difference must be paid from the district's non-Federal sources. Identified Student data must come from documentation as of April 1st of the school year prior to CEP implementation (for example April 1, 2022 data is used for the SY 2022-2023 CEP application).

In order to participate in CEP, complete the following steps:

- 1) Complete the CEP Agreement (on the next page of this document) and submit a signed copy to CANS.
- 2) Verify the iCAN CEP Site List (located in your iCAN School Nutrition Program **SY 2021-2022** application). The CEP site list uses data from April 1, 2022.
- 3) Submit the following April 1, 2022 documentation to support the data listed in your iCAN CEP Site List:
 - a. April 1, 2022 student enrollment for all CEP sites, this generally comes from your Infinite Campus or NASIS computer system.
 - b. Direct certification documentation for all students at CEP sites. This can come from iMATCH. Please also include Food Distribution on Indian Reservation (FDPIR), Homeless, Migrant, Runaway, and Foster direct certification documentation. Also include all extended directly certified students. Direct certification eligibility must be approved from July 1, 2021 to April 1, 2022.
- 4) Attend the required CEP Year One training in Pierre, SD. Once the training date is determined and you have submitted the signed agreement, you will receive a registration link for the training.

Please submit these documents as early as possible to ensure approval occurs prior to the school year to avoid potential reimbursement delays. **The deadline to submit is May 31, 2022.** Submit the signed CEP Agreement via email (be sure to scan the signature page) to Andrea Theilen (Andrea.theilen@state.sd.us) or Teresa Motlas (Teresa.Motlas@state.sd.us).

Contact Andrea Theilen (605-773-8067) or Teresa Motlas (605-367-7040) with the CANS School Nutrition Programs if you have questions about CEP or the school meal programs in general.
