A. GRANT AGREEMENT TERMS AND CONDITIONS

1. RISK ASSESSMENTS, MONITORING AND REMEDIES

Risk assessments will be ongoing throughout the project period. Sub-Recipient agrees to allow the State to monitor Sub-Recipient to ensure compliance with program requirements, to identify any deficiencies in the administration and performance of the award and to facilitate the same. At the discretion of the State, monitoring may include but is not limited

to the following: On-site visits, follow-up, document and/or desk reviews, third-party evaluations, virtual monitoring, technical assistance and informal monitoring such as email and telephone interviews. As appropriate, the cooperative audit resolution process may be applied.

Sub-Recipient agrees to comply with ongoing risk assessments, to facilitate the monitoring process, and further, Sub-Recipient understands and agrees that the requirements and conditions under the grant award may change as a result of the risk assessment/monitoring process.

In the event of noncompliance or failure to perform under the grant award, the State has the authority to apply remedies, including but not limited to: temporary withholding payments, disallowances, suspension or termination of the federal award, suspension of other federal awards received by Sub-Recipient, debarment, or other remedies including civil and/or criminal penalties as appropriate.

2. RETENTION AND INSPECTION OF RECORDS

The Sub-Recipient agrees to maintain or supervise the maintenance of records necessary for the proper and efficient operation of the program, including records and documents regarding applications, determination of eligibility (when applicable), the provision of services, administrative costs, and statistical, fiscal, and other information records necessary for reporting and accountability required by the State. The Sub-Recipient shall retain such records for a period of three years after the date of the submission of the final expenditure report.

If any litigation, claim, or audit is started before the expiration of the three-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. The three-year retention period may be extended upon written notice by the State. Records for real property and equipment acquired with Federal funds must be retained for three years after final disposition. When records are transferred to or maintained by the Federal awarding agency or the State, the three-year retention requirement is not applicable to the Sub-Recipient. In the event Sub-Recipient must report program income after the period of performance, the retention period for the records pertaining to the earning of the program income starts from the end of Sub-Recipient's fiscal year in which the program income is earned. In the event the documents and their supporting records consist of indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable, the following applies: (1) If submitted for negotiation - If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the State) to form the basis for negotiation of the rate, then the three-year retention period for its supporting records starts from the date of such submission. (2) If not submitted for negotiation - If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the State) for negotiation purposes, then the three-year retention period for the proposal, plan, or

computation and its supporting records starts from the end of the Sub-Recipient's fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

The State, through any authorized representative, shall have access to and the right to examine and copy all records, books, papers or documents related to services rendered under this Agreement and shall have access to personnel of the Sub-Recipient for purposes of interview and discussion related to the records, books, papers and documents. State Proprietary Information, which shall include all information disclosed to the Sub-Recipient by the State, shall be retained in Sub-Recipient's secondary and backup systems and shall remain fully subject to the obligations of confidentiality stated herein until such information is erased or destroyed in accordance with Sub-Recipient's established record retention policies.

All payments to the Sub-Recipient by the State are subject to site review and audit as prescribed and carried out by the State. Any over payment under this Agreement shall be returned to the State within thirty days after written notification to the Sub-Recipient.

3. AUDIT REQUIREMENTS

If Sub-Recipient expends \$750,000 or more in federal awards during the Sub-Recipient's fiscal year, the Sub-Recipient must have an audit conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, by an auditor approved by the Auditor General to perform the audit. On continuing audit engagements, the Auditor General's approval should be obtained annually. Approval of an auditor must be obtained by forwarding a copy of the audit engagement letter to:

Department of Legislative Audit
A-133 Coordinator
427 South Chapelle
500 East Capitol
Pierre, SD 57501-5070

If the Sub-Recipient expends less than \$750,000 during any Sub-Recipient fiscal year, the State may perform a more limited program or performance audit related to the completion of the Agreement objects, the eligibility of services or costs, and adherence to Agreement provisions.

Audits shall be completed and filed with the Department of Legislative Audit by the end of the ninth month following end of the fiscal year being audited.

For either an entity-wide, independent financial audit or an audit under 2 CFR Part 200 Subpart F, the Sub-Recipient shall resolve all interim audit findings to the satisfaction of the auditor. The Sub-Recipient shall facilitate and aid any such reviews, examinations, agreed upon procedures etc., the State or its contractor(s) may perform.

Failure to complete audit(s) as required, including resolving interim audit findings, will result in the disallowance of audit costs as direct or indirect charges to programs. Additionally, a

percentage of awards may be withheld, overhead costs may be disallowed, and/or awards may be suspended, until the audit is completely resolved.

The Sub-Recipient shall be responsible for payment of any and all audit exceptions which are identified by the State. The State may conduct an agreed upon procedures engagement as an audit strategy. The Sub-Recipient may be responsible for payment of any and all questioned costs, as defined in 2 C.F.R. 200.84, at the discretion of the State.

Notwithstanding any other condition of the Agreement, the cooperative audit resolution process applies, as appropriate. The books and records of the Sub-Recipient must be made available if needed and upon request at the Sub-Recipient's regular place of business for audit by personnel authorized by the State. The State and/or federal agency has the right to return to audit the program during performance under the grant or after close-out, and at any time during the record retention period, and to conduct recovery audits including the recovery of funds, as appropriate.

If applicable, Sub-Recipient agrees to comply in full with the administrative requirements and cost principles as outlined in OMB uniform administrative requirements, cost principles, and audit requirements for federal awards – 2CFR Part 200 (Uniform Administrative Requirements).
