

South Dakota School Wellness Policy Summit

June 6, 2013

**Cedar Shores Resort
Chamberlain, SD**

9 a.m. - 4 p.m.

Enhance student learning by creating a healthier school environment!

Attend the Wellness Policy Summit and learn about:

- USDA wellness policy requirements
- Strategies for addressing barriers in policy implementation
- Timeline for reviewing and revising the school wellness policy
- Strategies for consensus building among wellness council members
- Difference between writing policy and policy instructions/guidance
- Resources supporting policy development and implementation
- Resources and technical assistance from the Alliance for a Healthier Generation's Healthy Schools Program to ensure successful policy implementation

Register by May 22 at: <https://apps.sd.gov/Applications/DE49TrnTracker/Secure/AvailableClasses.aspx>

Lunch and mileage will be paid for a team of up to 3 people from each district. School administrators and board members are encouraged to attend.
