

SOUTH DAKOTA BOARD OF EDUCATION STANDARDS  
NOTICE OF PUBLIC HEARING REGARDING CONTENT STANDARDS

A public hearing will be held at the City Administration Building, Council Chambers, 300 Sixth Street, Rapid City, South Dakota, at 9:00 a.m. Mountain Time, May 6, 2022, to consider the adoption and implementation of the following: fine arts standards and career and technical education content standards. This is the fourth of four public hearings regarding these standards.

**Fine Arts:** The goal of fine arts standards is to provide opportunities for students to learn concepts, facts, and processes related to the disciplines of dance, music, theater, and visual arts.

**Career and Technical Education (CTE) Standards in these career clusters:**

**Agriculture Food and Natural Resources Career Cluster:** The goal of the Agriculture Food and Natural Resources Career Cluster standards is to support students in the production, processing, marketing, distribution, financing, and development of agricultural commodities

**Arts, A/V Technology & Communications Career Cluster:** The goal of the Arts, Audio-Video Technology & Communications Career Cluster standards is to support students in designing, producing, and publishing multimedia content including visual arts and design, journalism, and entertainment services.

**Finance Career Cluster:** The goal of the Finance Career Cluster standards is to support students in services for financial and investment planning, banking, insurance, and business financial management.

**Health Science Career Cluster:** The goal of the Health Science Career Cluster standards is to support students in planning, managing, and providing therapeutic services, diagnostic services, health informatics, support services, and biotechnology research and development.

**Human Services Career Cluster:** The goal of the Human Services Career Cluster standards is to support students in preparing individuals for employment in career pathways that relate to families and human needs such as counseling and mental health services, community services, and consumer services.

**Manufacturing Career Cluster:** The goal of the Manufacturing Career Cluster standards is to support students in planning, managing, and performing the processing of materials into intermediate or final products and related professional and technical support activities such as production planning and control, and manufacturing/process engineering.
