

# K-12 Educational Technology Standards Public Comments

## EXHIBIT #1

**Date Submitted: 8/26/2020 16:29:44**

**Gena Messer, K-12 Educator**

**I have reviewed the standards and they definitely invite our learners into high-order thinking activities. I look forward to digesting them further and getting my own mind and classroom strategies aligned with the proposed standards. I appreciate the labels given to each of the strands and the descriptions are helpful to visualize the outcomes we plan to see in our learners.**
