

## South Dakota Standards Revision and Adoption Timeline

Standards are typically scheduled for review and adoption on a five-year rotation for career & technical education and seven years for core content.

| Standards  | Four Public Hearings | Transition Year | Teach to Standards | Assessment                   |
|--|----------------------|-----------------|--------------------|------------------------------|
| Physical Education adopted in 2014                             | 2020-2021            | 2021-2022       | 2022-2023          | No State Assessment          |
| K-12 Technology adopted in 2015                                |                      |                 |                    |                              |
| Architecture & Construction adopted in 2016                    |                      |                 |                    |                              |
| Education & Training adopted in 2016                           |                      |                 |                    |                              |
| Foundations of CTE adopted in 2016                             |                      |                 |                    |                              |
| Information Technology adopted in 2016                         |                      |                 |                    |                              |
| Law, Public Safety & Security adopted in 2016                  |                      |                 |                    |                              |
| Science, Technology, Engineering & Mathematics adopted in 2016 | 2021-2022            | 2022-2023       | 2023-2024          | No State Assessment          |
| Agriculture, Food & Natural Resources adopted in 2017          |                      |                 |                    |                              |
| Arts, Audio/Video Technology & Communications adopted in 2017  |                      |                 |                    |                              |
| Finance & Personal Finance adopted in 2017                     |                      |                 |                    |                              |
| Health Science adopted in 2017                                 |                      |                 |                    |                              |
| Human Services adopted in 2017                                 |                      |                 |                    |                              |
| Manufacturing adopted in 2017                                  |                      |                 |                    |                              |
| Fine Arts adopted in 2015                                      | 2022-2023            | 2023-2024       | 2024-2025          | No State Assessment          |
| Business adopted in 2018                                       |                      |                 |                    |                              |
| Hospitality & Tourism adopted in 2018                          |                      |                 |                    |                              |
| Marketing adopted in 2018                                      |                      |                 |                    |                              |
| Transportation, Distribution & Logistics adopted in 2018       |                      |                 |                    |                              |
| Capstone Courses adopted in 2018                               |                      |                 |                    |                              |
| Social Studies adopted in 2015                                 |                      | 2023-2025       | 2025-2026          |                              |
| Science adopted in 2015  | 2023-2024            | 2024-2025       | 2025-2026          | Grades, 5, 8, 11 Spring 2026 |
| Government & Public Administration adopted in 2018             |                      |                 |                    | No State Assessment          |
| Health Education adopted in 2018                               |                      |                 |                    |                              |

## South Dakota Standards Revision and Adoption Timeline

Standards are typically scheduled for review and adoption on a five-year rotation for career & technical education and seven years for core content.

| Standards  | Four Public Hearings | Transition Year | Teach to Standards | Assessment                 |
|--|----------------------|-----------------|--------------------|----------------------------|
| English Language Arts adopted in 2018                              | 2024-2025            | 2025-2026       | 2026-2027          | Grades 3-8, 11 Spring 2027 |
| Oceti Sakowin Essential Understandings & Standards adopted in 2018 |                      |                 |                    | No State Assessment        |
| Math adopted in 2018   | 2025-2026            | 2026-2027       | 2027-2028          | Grades 3-8, 11 Spring 2028 |
| Library adopted in 2019  |                      |                 |                    | No State Assessment        |
