USF UNIVERSITY OF SIOUX FALLS

# K-12/SECONDARY CONTENT METHODS FOR CAREER AND TECHNICAL EDUCATION (CTE)

***3 Credits | Online | March 8 - April 25, 2027 | Thursdays 6–9 p.m.***

Taught by a current CTE K-12 professional, students will receive specific methods relative to their content area, preparing them to use and adapt effective instructional methods by introducing the major methods used by classroom teachers. This course fulfills the South Dakota certification requirement for CTE endorsement in an accelerated format of 8 class periods!

**Course Highlights:** Perkins funding, CTSOs, teaching methods specific to CTE, communication strategies and assessment

**Tuition:** $415 per credit
