(School name) supports South Dakota Farmers! Today we sampled (insert dish name) in (our salad bar, or as a side dish, or as a main entrée) during (breakfast or lunch or both). Nutritious and scrumptious!

Local food in school meals is good for students, producers, and the community. On (day of the week), (School name) will be serving local (name of produce) in our school meal from (name of producer). It's a win/win/win!!

Join your student for lunch (or breakfast) on (day of the week) and enjoy (insert dish name) from (name of producer). Don't miss this chance to enjoy local food!

Join (name of producer) in our cafeteria today from (time) as we serve (insert dish name) from (name of producer or "their farm"). Learn about the commitment of (name of producer or farm) to ensure our students eat local food. Healthy food = strong, healthy kids!

(School name) cafeteria is celebrating (holiday/special occasion) with help from (student group) as students get to (sample/taste/try) (insert food item) from (insert producer name). Celebrate local food!

This year (or list time frame of your choice), (school name) served (number) local food items, from (number) different producers.

This year (choose time frame of your choice), (school name) served local food items (number) times, on our lunch menus and (number) on our breakfast menus. Thank you, producers, for providing incredible food for our incredible kids!
