South Dakota High School Graduation Requirements

Approved by the South Dakota Board of Education Standards in July 2018

*A state-approved advanced computer science course may be substituted for one unit of a science elective, but may not replace Biology. A list of approved courses is available at http://doe.sd.gov/gradrequirements.

Students are required to meet the above High School Diploma requirements, also known as the ‘base diploma’. Students may earn advanced endorsements with their high school diploma. A student’s personal learning plan must document a minimum of 22 credits that include the above requirements.

**Advanced Endorsements Available**
**ADVANCED ENDORSEMENTS**

In addition to the base requirements for the High School Diploma, students may earn advanced endorsements that are in alignment with the student’s personal learning plan. Advanced endorsements outline specific coursework within the base diploma requirements to denote specific emphases. Students may earn one or more of three advanced endorsements: Advanced Endorsement, Advanced Career Endorsement and Advanced Honors Endorsement.

The requirements beyond the base high school diploma requirements are in red text in each advanced endorsement section below.

  - Science elective: 1 unit  
  ½ UNIT OF PHYSICAL EDUCATION  
  ½ UNIT OF PERSONAL FINANCE or ECONOMICS  
  ½ UNIT OF HEALTh or HEALTH INTEGRATION | 4 ½ UNITS OF ELECTIVES | 4 ½ UNITS OF ELECTIVES |
A state-approved advanced computer science course may be substituted for 1 unit of a science elective in the High School Diploma and Advanced Career Endorsement. It may not replace Biology. It may not count for the Advanced and Advanced Honors Endorsements. A list of approved courses is available at http://doe.sd.gov/gradrequirements.

Academic core content may be earned for an approved career and technical education course. Approval to offer credit must be obtained through a CTE for Core Content application with the Department of Education. Visit http://doe.sd.gov/cte/corecontentcredit.aspx for application details.

A district may offer credit for extracurricular Fine Arts activities. Students may be granted up to one credit in Fine Arts for participation in extracurricular activities. A maximum .25 credit may be granted for each activity in each school year.

Students are required to take .5 unit of Health at any time during grades 6-12. A district may choose to integrate Health across the curriculum at the middle or high school level in lieu of a stand-alone course.

“Double dipping” is not allowed. Courses may not be counted more than once to fulfill high school graduation requirements. For example, Economics cannot meet both the Social Studies elective credit requirement and the Personal Finance or Economics credit requirement. It can only meet one of the requirements. A course may count to meet both the base high school diploma and advanced endorsement(s) requirements. For example, Algebra I can meet both the high school diploma requirement and any or all of the advanced endorsement requirements.
