

Principal Leadership & Development Program

Early career principals (years 1-5) continue to develop instructional leadership and management skills in this PD program.

- Participants are guided by a group of mentor principals with specific areas of expertise.
- Topics to be covered include: privacy rights and family issues, recruiting/hiring and non-renewals, conflict resolution, and special education.
- Format is a mix of in-person and online sessions.
- Program is free for principals in South Dakota public schools.

Registration for 2024-25 is now open.
