

Rubric to Meet Graduation Requirements for Accreditation

	Met	Unmet	Notes/
ARSD 11:01: - Are Advanced Endorsements noted on school transcripts? - Remember, the Department of Education will find the evidence needed for this portion.			
ARSD 11:02: - What are the school's graduation requirements? - Do the graduation requirements align with South Dakota's graduation requirements? - Does evidence show how many credits each course is worth?			
ARSD 11:07: - This section focuses on the entire list of courses offered that students can take to fulfill their school's graduation requirements. It should be easy to find what courses are offered every 2 years (see graduation requirement help PowerPoint for more information). - A Capstone Experience must be included among the courses offered.			

Does evidence show how many credits each course is worth?
