

HELP EVERY CHILD FIND GREAT BOOKS TO READ YEAR-ROUND

“Find a Book, South Dakota” is a fun and easy way to select books based on a child’s Lexile® measure and interests. You can use this free search tool to build custom book lists for readers at all levels, and then locate your selections at the local public library.

Find a Book
South Dakota

1 GO TO www.Lexile.com/fab/SD
Here you can enter a child’s Lexile measure to find books and articles that are at the appropriate skill level.

3 Have the child **PICK** interest categories.

4 VIEW AND REFINE the search results. As you browse books, click the “Find in a Library” button next to the book titles to check its availability at your public library.

2 ENTER a child’s Lexile measure. If you do not know the child’s Lexile measure, you can search for books based on his or her comfort with grade-level materials.

5 ADD books to a child’s reading list. You can **PRINT OR EMAIL** the child’s custom book list.

For information about summer reading loss and resources for parents, visit the South Dakota Department of Education’s summer reading website at www.doe.sd.gov/octe/readSD.aspx

“Find a Book, South Dakota” is offered in partnership with the South Dakota Department of Education and Lexile-developer MetaMetrics®.

Please note: A Lexile measure is a measure of text complexity only. It does not address the subject matter or text quality, age-appropriateness of the content or a reader’s interests. The Lexile measure is one piece of information that you can use when selecting books.
