

**2016 South Dakota MTSS  
Summer Education Conference  
June 28 and 29  
Cedar Shore, Chamberlain SD  
Agenda**

## ***The Magic is in the Instruction***

*The magic is in the quality of instruction. Not in the newest fad. Rather in the strength of bell-to-bell instruction, clear lesson purposes, structured lessons with an introduction, body and closure, embedded formative assessment, active participation, effective feedback, and judicious practice. When these elements are consistently and effectively used, **learning** results.*

### **June 28, 2016, 8:30AM-4:00PM:**

The first day of training will focus on the research on Explicit Instruction and four Big Ideas applicable to all classroom settings and domains:

- Big Idea #1 Focus on **critical content**
- Big Idea #2 **Break down complex skills**
- Big Idea #3 Provide **systematic instruction**
- Big Idea #4 Provide **judicious practice**

### **June 29, 2016, 8:30AM-4:00PM:**

The second day of training will focus on the delivery of effective and efficient instruction as outlined under the following Big Ideas:

- Big Idea #5 Elicit **frequent responses**
- Big Idea #6 Carefully **monitor** responses
- Big Idea #7 Provide **feedback**
- Big Idea #8 Maintain a **brisk pace**

All evidenced based procedures will be modeled through demonstrations and videos and will be embedded in the training.
