Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference - ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference - ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act;
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference - ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference - ARSD 24:05:20:20.)

GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

ARSD 24:05:24.01:13. Orthopedic impairment defined. ... There must be evidence of the following:

- (4) That current medical data by a qualified medical evaluator describes and confirms an orthopedic impairment.

ARSD 24:05:25.03. Preplacement evaluation. ... Initial evaluations must be completed within 25 school days after receipt by the district of signed parent consent to evaluate unless other timelines are agreed to by the school administration and the parents... Written evaluation reports, determination of eligibility, and conducting an IEP team meeting must be completed within 30 days from the end of the 25 school day evaluation timeline.

ARSD 24:05:25.03.04. Evaluation procedures – Notice. The school district shall provide notice to the parents of a child with a disability, in accordance with this article, that describes any evaluation procedures the district proposes to conduct.

ARSD 24:05:25.04. Evaluation procedures – General. School districts shall ensure, at a minimum, that evaluation procedures include the following:

- (5) A variety of assessment tools and strategies are used to gather relevant functional, developmental, and academic information about the child, including information provided by the parents, that may assist in determining:
 - (a) Whether the child is a child with a disability;

ARSD 24:05:25.05. Eligibility and placement procedures. In interpreting evaluation data for the purpose of determining eligibility and determining the educational needs of the child, in making placement decisions, including decisions regarding preschool children, each school district shall do the following:

- (1) Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, teacher recommendations, physical condition, social or cultural background, and adaptive behavior;

ARSD 24:05:25:16.01. Participation of student in IEP team meeting. If a purpose of the IEP team meeting is the consideration of postsecondary goals and transition services for a student, and if the meeting is for a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP team, the notice also must:

- (3) To the extent appropriate, with the consent of the parents or a student who has reached the age of majority, identify any other agency that is likely to be responsible for providing or paying for transition services and that will be invited to send a representative.

ARSD 24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

- (1) A statement of the student's present levels of academic achievement and functional performance
- (2) A statement of measurable annual goals, including academic and functional goals, designed to:
 - (a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and
 - (b) Meet each of the student's other educational needs that result from the student's disability;
- (3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:
 - (a) To advance appropriately toward attaining the annual goals;
- (8) Beginning not later than the first IEP to be in effect when the student turns 16, or younger if determined appropriate by the IEP team, and updated annually thereafter, the IEP shall include:
 - (a) Appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education, employment, and, if appropriate, independent living skills; and
 - (b) The transition services (including courses of study) needed to assist the student in reaching those goals;
