

Coordinating Early Intervening Services (CEIS)

- 2 Funding Sources available for these activities
 - Federal IDEA funds (CFDA 84.027)
 - State/Local funds from the SE Fund (SDCL 13-37-55)

Allowable Coding for CEIS activities include:

1230 Coordinated Early Intervening Services (CEIS) Instruction – Expenditures for instructional services provided to students in grades kindergarten through 12 (with an emphasis on students in kindergarten through grade 3) who are not currently identified as needing special education or related services, but who need additional academic and behavioral supports to succeed in a general education environment. CEIS instructional activities may include, but are not limited to: literacy instruction, help in reading or math for students that are not reaching grade level proficiency or providing positive behavioral supports.

2124 Coordinated Early Intervening Services (CEIS) Evaluation Services – Expenditures for providing CEIS educational and behavioral evaluation services and support.

2215 Coordinated Early Intervening Services (CEIS) Professional Development – Expenditures for professional development for CEIS teachers and other school staff to enable such personnel to deliver scientifically based academic and behavioral interventions and where appropriate instruction on use of adaptive and instructional software.

- Other Information:
 - Application is required to participate in these activities.
 - Federal Flow-through application for federal funds
 - Separate application to the Office of Special Education for State/Local funds.
 - Expenditures for these activities are coded directly to the special education fund.
 - Only the approved amount may be expended within the special education fund.
 - Operational units must be used to track and identify federal funds used for this purpose.
 - Prohibited from accessing ECF for a period of 3 years following use of funds for these activities.
