The Federal Funding Accountability and Transparency Act (FFATA) requires that all grant awardees create and/or validate existing Data Universal Number System (DUNS) and System for Award Management (SAM) registration data to be eligible for federal funds. Every LEA must provide their DUNS Number and SAM Expiration Date below. Your SAM Registration can be confirmed or you can register if needed using the SAM website. If your LEA does not have a DUNS number you can request one through the federal Grants.Gov website.

Instructions

By checking this box and saving the page, the applicant hereby certifies that he/she has read, understood and will comply with the assurances listed below, as applicable to the program(s) for which funding is requested.

#### Assurances

Each legal entity, district, cooperative or agency MUST agree to all of the assurance statements listed below prior to being able to submit their application for funds to the South Dakota Department of Education (SDDOE). This is required prior to the award of funds for any U.S. Department of Education administered program.

This page consolidates the common assurances required by federal law that apply to the federal programs listed below. Additional specific program assurances may be included in the application or program plan for that individual program.
