

Amendment to the IOWA AND SOUTH DAKOTA TUITION AGREEMENT

Under Part I. a. after "The application shall be on a form provided by the states"....add:

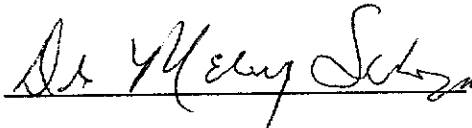

For purposes of this agreement the term "student" is defined as a full-time kindergarten through twelfth grade student attending an accredited school in either state. Part-time students crossing borders are subject to tuition payments from the sending school district. Any part-time students currently receiving services cross border may continue to receive state supported funding, however no additional part-time students may be added as of January 1, 2011. In accordance with SDCL 13-28-5, no tuition payments will be made for students over the age of 21.
