Local Education Agency - Uses of Funds

Title II PART A – Teacher and Principal Training and Recruiting

SEC. 2123. LOCAL USE OF FUNDS.

(a) IN GENERAL- A local educational agency that receives a subgrant under section 2121 shall use the funds made available through the subgrant to carry out one or more of the following activities, including carrying out the activities through a grant or contract with a for-profit or nonprofit entity:

(1) Developing and implementing mechanisms to assist schools in effectively recruiting and retaining highly qualified teachers, including specialists in core academic subjects, principals, and pupil services personnel, except that funds made available under this paragraph may be used for pupil services personnel only —

(A) if the local educational agency is making progress toward meeting the annual measurable objectives described in section 1119(a)(2); and

(B) in a manner consistent with mechanisms to assist schools in effectively recruiting and retaining highly qualified teachers and principals.

(2) Developing and implementing initiatives to assist in recruiting highly qualified teachers (particularly initiatives that have proven effective in retaining highly qualified teachers), and hiring highly qualified teachers, who will be assigned teaching positions within their fields, including —

(A) providing scholarships, signing bonuses, or other financial incentives, such as differential pay, for teachers to teach —

(i) in academic subjects in which there exists a shortage of highly qualified teachers within a school or within the local educational agency; and

(ii) in schools in which there exists a shortage of highly qualified teachers;

(B) recruiting and hiring highly qualified teachers to reduce class size, particularly in the early grades; and

(C) establishing programs that —

(i) train and hire regular and special education teachers (which may include hiring special education teachers to team-teach in classrooms that contain both children with disabilities and nondisabled children);

(ii) train and hire highly qualified teachers of special needs children, as well as teaching specialists in core academic subjects who will provide increased individualized instruction to students;

(iii) recruit qualified professionals from other fields, including highly qualified paraprofessionals, and provide such professionals with alternative routes to teacher certification, including developing and implementing hiring policies that ensure comprehensive recruitment efforts as a way to expand the applicant pool, such as through identifying teachers certified through alternative routes, and using a system of intensive screening designed to hire the most qualified applicants; and
Title II PART A

(iv) provide increased opportunities for minorities, individuals with disabilities, and other individuals underrepresented in the teaching profession.

(3) Providing professional development activities--
(A) that improve the knowledge of teachers and principals and, in appropriate cases, paraprofessionals, concerning--
(i) one or more of the core academic subjects that the teachers teach; and

(ii) effective instructional strategies, methods, and skills, and use of challenging State academic content standards and student academic achievement standards, and State assessments, to improve teaching practices and student academic achievement; and
(B) that improve the knowledge of teachers and principals and, in appropriate cases, paraprofessionals, concerning effective instructional practices and that--
(i) involve collaborative groups of teachers and administrators;
(ii) provide training in how to teach and address the needs of students with different learning styles, particularly students with disabilities, students with special learning needs (including students who are gifted and talented), and students with limited English proficiency;
(iii) provide training in methods of--
(I) improving student behavior in the classroom; and
(II) identifying early and appropriate interventions to help students described in clause (ii) learn;
(iv) provide training to enable teachers and principals to involve parents in their child's education, especially parents of limited English proficient and immigrant children; and
(v) provide training on how to understand and use data and assessments to improve classroom practice and student learning.

(4) Developing and implementing initiatives to promote retention of highly qualified teachers and principals, particularly within elementary schools and secondary schools with a high percentage of low-achieving students, including programs that provide--
(A) teacher mentoring from exemplary teachers, principals, or superintendents;
(B) induction and support for teachers and principals during their first 3 years of employment as teachers or principals, respectively;
(C) incentives, including financial incentives, to retain teachers who have a record of success in helping low-achieving students improve their academic achievement; or
(D) incentives, including financial incentives, to principals who have a record of improving the academic achievement of all students, but particularly students from economically disadvantaged families, students from racial and ethnic minority groups, and students with disabilities.

(5) Carrying out programs and activities that are designed to improve the quality of the teacher force, such as--
(A) innovative professional development programs (which may be provided through partnerships including institutions of higher education), including programs that
Title II PART A

(B) train teachers and principals to integrate technology into curricula and instruction to
(C) improve teaching, learning, and technology literacy, are consistent with the requirements of section 9101, and are coordinated with activities carried out under part D;
(B) development and use of proven, cost-effective strategies for the implementation of professional development activities, such as through the use of technology and distance learning;
(C) tenure reform;
(D) merit pay programs; and
(E) testing of elementary school and secondary school teachers in the academic subjects that the teachers teach.

(6) Carrying out professional development activities designed to improve the quality of principals and superintendents, including the development and support of academies to help talented aspiring or current principals and superintendents become outstanding managers and educational leaders.

(7) Hiring highly qualified teachers, including teachers who become highly qualified through State and local alternative routes to certification, and special education teachers, in order to reduce class size, particularly in the early grades.

(8) Carrying out teacher advancement initiatives that promote professional growth and emphasize multiple career paths (such as paths to becoming a career teacher, mentor teacher, or exemplary teacher) and pay differentiation.

(10) Carrying out programs and activities related to exemplary teachers.
TITLE II PART D – Enhancing Education Through Technology

SEC. 2416. LOCAL ACTIVITIES.

(a) PROFESSIONAL DEVELOPMENT—
(1) IN GENERAL— A recipient of funds made available under section 2412(a)(2) shall use not less than 25 percent of such funds to provide ongoing, sustained, and intensive, high-quality professional development. The recipient shall provide professional development in the integration of advanced technologies, including emerging technologies, into curricula and instruction and in using those technologies to create new learning environments, such as professional development in the use of technology—
   (A) to access data and resources to develop curricula and instructional materials; 
   (B) to enable teachers—
      (i) to use the Internet and other technology to communicate with parents, other teachers, principals, and administrators; and 
      (ii) to retrieve Internet-based learning resources; and 
   (C) to lead to improvements in classroom instruction in the core academic subjects, that effectively prepare students to meet challenging State academic content standards, including increasing student technology literacy, and student academic achievement standards.

(2) WAIVERS- Paragraph (1) shall not apply to a recipient of funds made available under section 2412(a)(2) that demonstrates, to the satisfaction of the State educational agency involved, that the recipient already provides ongoing, sustained, and intensive, high-quality professional development that is based on a review of relevant research, to all teachers in core academic subjects in the integration of advanced technologies, including emerging technologies, into curricula and instruction.

(b) OTHER ACTIVITIES- In addition to the activities described in subsection (a), a recipient of funds made available by a State educational agency under section 2412(a)(2) shall use such funds to carry out other activities consistent with this subpart, which may include the following:
(1) Establishing or expanding initiatives, particularly initiatives involving public-private partnerships, designed to increase access to technology for students and teachers, with special emphasis on the access of high-need schools to technology.
(2) Adapting or expanding existing and new applications of technology to enable teachers to increase student academic achievement, including technology literacy—
   (A) through the use of teaching practices that are based on a review of relevant research and are designed to prepare students to meet challenging State academic content and student academic achievement standards; and 
   (B) by the development and utilization of innovative distance learning strategies to deliver specialized or rigorous academic courses and curricula to areas that would not otherwise have access to such courses and curricula.
(3) Acquiring proven and effective courses and curricula that include integrated technology and are designed to help students meet challenging State academic content and student academic achievement standards.
TITLE II PART D

(4) Utilizing technology to develop or expand efforts to connect schools and teachers with parents and students to promote meaningful parental involvement, to foster increased communication about curricula, assignments, and assessments between students, parents, and teachers, and to assist parents to understand the technology being applied in their child's education, so that parents are able to reinforce at home the instruction their child receives at school.

(5) Preparing one or more teachers in elementary schools and secondary schools as technology leaders who are provided with the means to serve as experts and train other teachers in the effective use of technology, and providing bonus payments to the technology leaders.

(6) Acquiring, adapting, expanding, implementing, repairing, and maintaining existing and new applications of technology, to support the school reform effort and to improve student academic achievement, including technology literacy.

(7) Acquiring connectivity linkages, resources, and services (including the acquisition of hardware and software and other electronically delivered learning materials) for use by teachers, students, academic counselors, and school library media personnel in the classroom, in academic and college counseling centers, or in school library media centers, in order to improve student academic achievement.

(8) Using technology to collect, manage, and analyze data to inform and enhance teaching and school improvement efforts.

(9) Implementing performance measurement systems to determine the effectiveness of education technology programs funded under this subpart, particularly in determining the extent to which activities funded under this subpart are effective in integrating technology into curricula and instruction, increasing the ability of teachers to teach, and enabling students to meet challenging State academic content and student academic achievement standards.

(10) Developing, enhancing, or implementing information technology courses.
TITLE III – Language Instruction for Limited English Proficient and Immigrant Students

SEC. 3115. SUBGRANTS TO ELIGIBLE ENTITIES.

(a) PURPOSES OF SUBGRANTS- A State educational agency may make a subgrant to an eligible entity from funds received by the agency under this subpart only if the entity agrees to expend the funds to improve the education of limited English proficient children, by assisting the children to learn English and meet challenging State academic content and student academic achievement standards. In carrying out activities with such funds, the entity shall use approaches and methodologies based on scientifically based research on teaching limited English proficient children and immigrant children and youth for the following purposes:

1. Developing and implementing new language instruction educational programs and academic content instruction programs for such children, and such children and youth, including programs of early childhood education, elementary school programs, and secondary school programs.

2. Carrying out highly focused, innovative, locally designed activities to expand or enhance existing language instruction educational programs and academic content instruction programs for such children, and such children and youth.

3. Implementing, within an individual school, schoolwide programs for restructuring, reforming, and upgrading all relevant programs, activities, and operations relating to language instruction educational programs and academic content instruction for such children, and such children and youth.

4. Implementing, within the entire jurisdiction of a local educational agency, agencywide programs for restructuring, reforming, and upgrading all relevant programs, activities, and operations relating to language instruction educational programs and academic content instruction for such children, and such children and youth.

(b) ADMINISTRATIVE EXPENSES- Each eligible entity receiving funds under section 3114(a) for a fiscal year may use not more than 2 percent of such funds for the cost of administering this subpart.

(c) REQUIRED SUBGRANTEE ACTIVITIES- An eligible entity receiving funds under section 3114(a) shall use the funds —

1. to increase the English proficiency of limited English proficient children by providing high-quality language instruction educational programs that are based on scientifically based research demonstrating the effectiveness of the programs in increasing —
   (A) English proficiency; and
   (B) student academic achievement in the core academic subjects; and
2. to provide high-quality professional development to classroom teachers (including teachers in classroom settings that are not the settings of language instruction educational programs), principals, administrators, and other school or community-based organizational personnel, that is —
   (A) designed to improve the instruction and assessment of limited English proficient children;
TITLE III

(B) designed to enhance the ability of such teachers to understand and use curricula, assessment measures, and instruction strategies for limited English proficient children;
(C) based on scientifically based research demonstrating the effectiveness of the professional development in increasing children's English proficiency or substantially increasing the subject matter knowledge, teaching knowledge, and teaching skills of such teachers; and
(D) of sufficient intensity and duration (which shall not include activities such as one-day or short-term workshops and conferences) to have a positive and lasting impact on the teachers' performance in the classroom, except that this subparagraph shall not apply to an activity that is one component of a long-term, comprehensive professional development plan established by a teacher and the teacher's supervisor based on an assessment of the needs of the teacher, the supervisor, the students of the teacher, and any local educational agency employing the teacher.

(d) AUTHORIZED SUBGRANTEE ACTIVITIES- Subject to subsection (c), an eligible entity receiving funds under section 3114(a) may use the funds to achieve one of the purposes described in subsection (a) by undertaking one or more of the following activities:

(1) Upgrading program objectives and effective instruction strategies.
(2) Improving the instruction program for limited English proficient children by identifying, acquiring, and upgrading curricula, instruction materials, educational software, and assessment procedures.
(3) Providing —
   (A) tutorials and academic or vocational education for limited English proficient children; and
   (B) intensified instruction.
(4) Developing and implementing elementary school or secondary school language instruction educational programs that are coordinated with other relevant programs and services.
(5) Improving the English proficiency and academic achievement of limited English proficient children.
(6) Providing community participation programs, family literacy services, and parent outreach and training activities to limited English proficient children and their families —
   (A) to improve the English language skills of limited English proficient children; and
   (B) to assist parents in helping their children to improve their academic achievement and becoming active participants in the education of their children.
(7) Improving the instruction of limited English proficient children by providing for —
   (A) the acquisition or development of educational technology or instructional materials;
   (B) access to, and participation in, electronic networks for materials, training, and communication; and
   (D) incorporation of the resources described in subparagraphs (A) and (B) into curricula and programs, such as those funded under this subpart.
(8) Carrying out other activities that are consistent with the purposes of this section.

(e) ACTIVITIES BY AGENCIES EXPERIENCING SUBSTANTIAL INCREASES IN IMMIGRANT CHILDREN AND YOUTH-

(1) IN GENERAL- An eligible entity receiving funds under section 3114(d)(1) shall use the funds to pay for activities that provide enhanced instructional opportunities for immigrant children and youth, which may include —

(A) family literacy, parent outreach, and training activities designed to assist parents to become active participants in the education of their children;

(B) support for personnel, including teacher aides who have been specifically trained, or are being trained, to provide services to immigrant children and youth;

(C) provision of tutorials, mentoring, and academic or career counseling for immigrant children and youth;

(D) identification and acquisition of curricular materials, educational software, and technologies to be used in the program carried out with funds;

(E) basic instruction services that are directly attributable to the presence in the school district involved of immigrant children and youth, including the payment of costs of providing additional classroom supplies, costs of transportation, or such other costs as are directly attributable to such additional basic instruction services;

(F) other instruction services that are designed to assist immigrant children and youth to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education; and

(G) activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist parents of immigrant children and youth by offering comprehensive community services.
TITLE IV PART A – Safe and Drug-Free Schools and Communities

LOCAL EDUCATIONAL AGENCY ACTIVITIES-

(1) PROGRAM REQUIREMENTS- A local educational agency shall use funds made available under section 4114 to develop, implement, and evaluate comprehensive programs and activities, which are coordinated with other school and community-based services and programs, that shall —

(A) foster a safe and drug-free learning environment that supports academic achievement;

(B) be consistent with the principles of effectiveness described in subsection (a)(1);

(C) be designed to —

(i) prevent or reduce violence; the use, possession and distribution of illegal drugs; and delinquency; and

(ii) create a well disciplined environment conducive to learning, which includes consultation between teachers, principals, and other school personnel to identify early warning signs of drug use and violence and to provide behavioral interventions as part of classroom management efforts; and

(D) include activities to —

(i) promote the involvement of parents in the activity or program;

(ii) promote coordination with community groups and coalitions, and government agencies; and

(iii) distribute information about the local educational agency's needs, goals, and programs under this subpart.

(2) AUTHORIZED ACTIVITIES- Each local educational agency, or consortium of such agencies, that receives a subgrant under this subpart may use such funds to carry out activities that comply with the principles of effectiveness described in subsection (a), such as the following:

(A) Age appropriate and developmentally based activities that —

(i) address the consequences of violence and the illegal use of drugs, as appropriate;

(ii) promote a sense of individual responsibility;

(iii) teach students that most people do not illegally use drugs;

(iv) teach students to recognize social and peer pressure to use drugs illegally and the skills for resisting illegal drug use;

(v) teach students about the dangers of emerging drugs;

(vi) engage students in the learning process; and

(vii) incorporate activities in secondary schools that reinforce prevention activities implemented in elementary schools.

(B) Activities that involve families, community sectors (which may include appropriately trained seniors), and a variety of drug and violence prevention providers in setting clear expectations against violence and illegal use of drugs and appropriate consequences for violence and illegal use of drugs.

(C) Dissemination of drug and violence prevention information to schools and the community.
TITLE IV PART A

(E) Professional development and training for, and involvement of, school personnel, pupil services personnel, parents, and interested community members in prevention, education, early identification and intervention, mentoring, or rehabilitation referral, as related to drug and violence prevention.

(E) Drug and violence prevention activities that may include the following:
(i) Community-wide planning and organizing activities to reduce violence and illegal drug use, which may include gang activity prevention.
(ii) Acquiring and installing metal detectors, electronic locks, surveillance cameras, or other related equipment and technologies.
(iii) Reporting criminal offenses committed on school property.
(iv) Developing and implementing comprehensive school security plans or obtaining technical assistance concerning such plans, which may include obtaining a security assessment or assistance from the School Security and Technology Resource Center at the Sandia National Laboratory located in Albuquerque, New Mexico.
(v) Supporting safe zones of passage activities that ensure that students travel safely to and from school, which may include bicycle and pedestrian safety programs.
(vi) The hiring and mandatory training, based on scientific research, of school security personnel (including school resource officers) who interact with students in support of youth drug and violence prevention activities under this part that are implemented in the school.
(vii) Expanded and improved school-based mental health services related to illegal drug use and violence, including early identification of violence and illegal drug use, assessment, and direct or group counseling services provided to students, parents, families, and school personnel by qualified school-based mental health service providers.
(viii) Conflict resolution programs, including peer mediation programs that educate and train peer mediators and a designated faculty supervisor, and youth anti-crime and anti-drug councils and activities.
(ix) Alternative education programs or services for violent or drug abusing students that reduce the need for suspension or expulsion or that serve students who have been suspended or expelled from the regular educational settings, including programs or services to assist students to make continued progress toward meeting the State academic achievement standards and to reenter the regular education setting.
(x) Counseling, mentoring, referral services, and other student assistance practices and programs, including assistance provided by qualified school-based mental health services providers and the training of teachers by school-based mental health services providers in appropriate identification and intervention techniques for students at risk of violent behavior and illegal use of drugs.
(xi) Programs that encourage students to seek advice from, and to confide in, a trusted adult regarding concerns about violence and illegal drug use.

(xii) Drug and violence prevention activities designed to reduce truancy.

(xiii) Age-appropriate, developmentally-based violence prevention and education programs that address victimization associated with prejudice and intolerance, and that include activities designed to help students develop a sense of individual responsibility and respect for the rights of others, and to resolve conflicts without violence.

(xiv) Consistent with the fourth amendment to the Constitution of the United States, the testing of a student for illegal drug use or the inspecting of a student's locker for weapons or illegal drugs or drug paraphernalia, including at the request of or with the consent of a parent or legal guardian of the student, if the local educational agency elects to so test or inspect.

(xv) Emergency intervention services following traumatic crisis events, such as a shooting, major accident, or a drug-related incident that have disrupted the learning environment.

(xvi) Establishing or implementing a system for transferring suspension and expulsion records, consistent with section 444 of the General Education Provisions Act (20 U.S.C. 1232g), by a local educational agency to any public or private elementary school or secondary school.

(xvii) Developing and implementing character education programs, as a component of drug and violence prevention programs, that take into account the views of parents of the students for whom the program is intended and such students, such as a program described in subpart 3 of part D of title V.

(xviii) Establishing and maintaining a school safety hotline.

(xix) Community service, including community service performed by expelled students, and service-learning projects.

(xx) Conducting a nationwide background check of each local educational agency employee, regardless of when hired, and prospective employees for the purpose of determining whether the employee or prospective employee has been convicted of a crime that bears upon the employee's fitness —

(I) to be responsible for the safety or well-being of children;

(II) to serve in the particular capacity in which the employee or prospective employee is or will be employed; or

(III) to otherwise be employed by the local educational agency.

xxi) Programs to train school personnel to identify warning signs of youth suicide and to create an action plan to help youth at risk of suicide.

(xxii) Programs that respond to the needs of students who are faced with domestic violence or child abuse.

(F) The evaluation of any of the activities authorized under this subsection and the collection of objective data used to assess program needs, program implementation, or program success in achieving program goals and objectives.
SEC. 4205. LOCAL ACTIVITIES.

(a) AUTHORIZED ACTIVITIES- Each eligible entity that receives an award under this part may use the award funds to carry out a broad array of before and after school activities (including during summer recess periods) that advance student academic achievement, including —

1. remedial education activities and academic enrichment learning programs, including providing additional assistance to students to allow the students to improve their academic achievement;
2. mathematics and science education activities;
3. arts and music education activities;
4. entrepreneurial education programs;
5. tutoring services (including those provided by senior citizen volunteers) and mentoring programs;
6. programs that provide after school activities for limited English proficient students that emphasize language skills and academic achievement;
7. recreational activities;
8. telecommunications and technology education programs;
9. expanded library service hours;
10. programs that promote parental involvement and family literacy;
11. programs that provide assistance to students who have been truant, suspended, or expelled to allow the students to improve their academic achievement; and
12. drug and violence prevention programs, counseling programs, and character education programs.
TITLE V PART A – INNOVATIVE PROGRAMS

SEC. 5131. LOCAL USES OF FUNDS.

(a) INNOVATIVE ASSISTANCE PROGRAMS- Funds made available to local educational agencies under section 5112 shall be used for innovative assistance programs, which may include any of the following:

(1) Programs to recruit, train, and hire highly qualified teachers to reduce class size, especially in the early grades, and professional development activities carried out in accordance with title II, that give teachers, principals, and administrators the knowledge and skills to provide students with the opportunity to meet challenging State or local academic content standards and student academic achievement standards.

(2) Technology activities related to the implementation of school-based reform efforts, including professional development to assist teachers and other school personnel (including school library media personnel) regarding how to use technology effectively in the classrooms and the school library media centers involved.

(3) Programs for the development or acquisition and use of instructional and educational materials, including library services and materials (including media materials), academic assessments, reference materials, computer software and hardware for instructional use, and other curricular materials that are tied to high academic standards, that will be used to improve student academic achievement, and that are part of an overall education reform program.

(4) Promising education reform projects, including magnet schools.

(5) Programs to improve the academic achievement of educationally disadvantaged elementary school and secondary school students, including activities to prevent students from dropping out of school.

(6) Programs to improve the literacy skills of adults, especially the parents of children served by the local educational agency, including adult education and family literacy programs.

(7) Programs to provide for the educational needs of gifted and talented children.

(8) The planning, design, and initial implementation of charter schools as described in part B.

(9) School improvement programs or activities under sections 1116 and 1117.

(10) Community service programs that use qualified school personnel to train and mobilize young people to measurably strengthen their communities through nonviolence, responsibility, compassion, respect, and moral courage.

(11) Activities to promote consumer, economic, and personal finance education, such as disseminating information on and encouraging use of the best practices for teaching the basic principles of economics and promoting the concept of achieving financial literacy through the teaching of personal financial management skills (including the basic principles involved with earning, spending, saving, and investing).

(12) Activities to promote, implement, or expand public school choice.

(13) Programs to hire and support school nurses.
TITLE V PART A

(14) Expansion and improvement of school-based mental health services, including early identification of drug use and violence, assessment, and direct individual or group counseling services provided to students, parents, and school personnel by qualified school-based mental health services personnel.
(15) Alternative educational programs for those students who have been expelled or suspended from their regular educational setting, including programs to assist students to reenter the regular educational setting upon return from treatment or alternative educational programs.
(16) Programs to establish or enhance prekindergarten programs for children.
(17) Academic intervention programs that are operated jointly with community-based organizations and that support academic enrichment, and counseling programs conducted during the school day (including during extended school day or extended school year programs), for students most at risk of not meeting challenging State academic achievement standards or not completing secondary school.
(18) Programs for cardiopulmonary resuscitation (CPR) training in schools.
(19) Programs to establish smaller learning communities.
(20) Activities that encourage and expand improvements throughout the area served by the local educational agency that are designed to advance student academic achievement.
(21) Initiatives to generate, maintain, and strengthen parental and community involvement.
(22) Programs and activities that expand learning opportunities through best-practice models designed to improve classroom learning and teaching.
(23) Programs to provide same-gender schools and classrooms (consistent with applicable law).
(24) Service learning activities.
(25) School safety programs, including programs to implement the policy described in section 9507 and which may include payment of reasonable transportation costs and tuition costs for such students.
(26) Programs that employ research-based cognitive and perceptual development approaches and rely on a diagnostic-prescriptive model to improve students' learning of academic content at the preschool, elementary, and secondary levels.
(27) Supplemental educational services, as defined in section 1116(e).

(b) REQUIREMENTS- The innovative assistance programs described in subsection (a) shall be —
(1) tied to promoting challenging academic achievement standards;
(2) used to improve student academic achievement; and
(3) part of an overall education reform strategy.
