

Following Our North Star: The Power of Alignment

Online Session Nov. 10, 2020 - 10:30-11:30 a.m. CST
Email Becky Cain at rebecca.cain@state.sd.us to register

For travelers journeying through unfamiliar places, the North Star has historically been a brightly glowing guide leading them toward a purposeful destination. Harriet Tubman, conductor of the Underground Railroad, mastered the navigation skills of following the North Star enabling her to help others seek freedom in the north. The North Star symbolically depicts a beacon of inspiration and hope.

As we journey through the fog and uncertainty of 2020, we need our own North Star. Join South Dakota school leaders as we seek our own internal compass to guide us through these confusing and challenging times.

Paul Bernabei and Tom Cody of Top 20 Training will lead a discussion on discovering our own North Star by focusing on the power of alignment. This will not only guide us to move toward a purposeful destination but also be an inspiration and hope for our students and colleagues.

Please pass the word and invite other school leaders you know for this session on Nov. 10, 2020 from 10:30-11:30 a.m. CST. (feel free to join and leave as needed).
