

## SLO Refresher Training for Teachers

<https://southdakota.gosignmeup.com/Public/Course/Browse> - search for "SLO Training"

Whether you attended an SLO training in the past or not, this SLO Refresher workshop is for you! Learn about updates and SLO best practices from trainers who have worked with SLOs for several years and have assisted hundreds of teachers across South Dakota in developing, revising and editing SLOs in all content areas and grade levels. Participants will discover the power of analyzing baseline data and how this frequently missed step can drive the creation of a truly meaningful SLO that is designed to increase student achievement. Trainers will share strategies and best practices for SLO goal setting, which can be one of the most challenging parts of the SLO. Bring your current SLO or other materials and assessments to get a jump start on developing a great SLO for 2016-17.
