BDI-3 Program Label Codes

Options	Definitions	Examples (Could be one or more of the following)
Part C Entry	The evaluation represents **Entry** into the Part C (Birth to Three) program. *Data used for Indicator C3.	• Student was evaluated, determined eligible, and is receiving Part C services, including Prolonged Assistance. (if less than 6 months of services = 1)
Part C Exit	The evaluation represents the student's **Exit** from the Part C Birth-3 Program. *Data used for Indictor C3.	• Child exits Part C services before transition assessment for Part B 619 (age 3-5) services. • Child is participating in transition assessment for Part B services and **IS NOT** eligible.
Part C Entry /Transition	The evaluation represents **Entry** into the Part C Program, and the student is eligible for Part B 619 **(transition)**. *Data used for Indicator C3 *Data used for Indicator B7	• Student was evaluated **90 or less** days before 3rd birthday due to a **LATE** Part C referral. Student is determined eligible for Part C services and Part B 619 Special Education and/or related services.
Transition	The student is aging out of Part C and determined eligible for Part B 619. Evaluations represents **Exit** from Part C and **Entry** into Part B 619 services. *Data used for Indicator B7	• Student was evaluated for Part C exit and it is at the time of their 3rd birthday **AND** they are eligible for Part B 619 services.
Part B Entry	The evaluation represents the student's **Entry** into the Part B 619 services. *Data used for Indicator B7	• Student is age 3-5 and is not currently receiving Part C services, found eligible for Part B 619 services for the first time and will receive at least 6 months of services. (if less than 6 months of services = 1)
Part B Exit	The evaluation represents the student's **Exit** from the Part B 619 preschool Special Education program. *Data used for Indicator B7	• Student with a Part B Entry, Part C Entry/Transition, or a transition evaluation record is turning 6 years of age or exits Part B 619 services early. • Evaluation is given within 90 days of the student's 6th birthday, or at time of exit. • Student with a Part B Entry or transition evaluation **leaves Part B 619 services after 6 months of services**. (moves out of state, family declines services, etc.)
0: Ineligible **OR** Parents Declined Services	The student was determined **ineligible** for special education services and will not be receiving services through Part C or Part B 619 preschool services -**OR** – The student **is eligible, and** parents **declined services**.	• The student was evaluated for Part C or Part B 619 services and was not eligible. • Student was evaluated for Part C or Part B 619 services and found eligible, but parents declined services.
1: Other—Not for Student Outcomes	The evaluation was conducted for a purpose unrelated to providing entry or exit data for the South Dakota Student Outcomes Measurement Reporting Indicator B7 or Indicator C3.	• Student was evaluated or reevaluated for purposes other than Entry, Transition, or Exit into or out of Part C or Part B 619 services. • Student was evaluated for internal district progress monitoring or did not or will not receive 6 months of services. • Evaluation was used to determine eligibility for **Developmental Delay after** the 6th birthday.

Special Notes:
- ✓ Part C refers to students being evaluated or eligible for Birth to Three services.
- ✓ Part B 619 refers to students being evaluated or eligible for Part B services from age 3 through age 5.
- ✓ Program Labels track progress by comparing **Entry** and **Exit** scores in Part C and Part B 619 programs. Data is used for Indicator B7 (Part B 619 Preschool Outcomes) and Indicator C3 (Birth-3 Early Student Outcomes). Eligibility can be determined using criteria other than the BDI-3.
- ✓ If a student will not receive 6 months of services before their 6th birthday, BDI-3 **DOES NOT** have to be given.
- ✓ When **Exit** evaluations are missing (i.e., student moves suddenly), the student will not have an **Exit** program label.
- ✓ Program Labels need to be assigned within 90 days of the Electronic Record Form being committed: allowing the student's information to become available for reporting. Microsoft Word - Record Forms (riversideinsights.com)
