

Special Education Programs

The Office of Special Education Programs (SEP) provides leadership and support for educators, parents, and students with disabilities receiving special education and related services throughout South Dakota's public schools and communities. We strive to support districts and families to improve outcomes and ensure a free appropriate public education for students with disabilities.

SPECIAL EDUCATION

WEBINARS

Monthly SPED webinars are held every third Tuesday of the month at 10:00 a.m. central time (9:00 a.m. mountain).

These webinars are open to all special education staff.

Recordings are available for two weeks and the handout can be found at

doe.sd.gov/sped/directors.aspx

Professional Learning Platform (PLP)

The Department of Education's PLP allows users to register for offerings, participate in learning experiences, and access records of training completed through this system. Special Education training opportunities are available through the PLP.
