Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

- (3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:
- (a) To advance appropriately toward attaining the annual goals;
 - (b) To be involved and make progress in the general education curriculum in accordance with this section and to participate in extracurricular and other nonacademic activities; and
 - (c) To be educated and participate with other students with disabilities and nondisabled students in the activities described in this section;
- (6) The projected date for the beginning of the services and modification described in this section and the anticipated frequency, location, and duration of those services and modifications;
- (8) Beginning not later than the first IEP to be in effect when the student turns 16, or younger if determined appropriate by the IEP team, and updated annually thereafter, the IEP shall include:
- (a) Appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education, employment, and, if appropriate, independent living skills; and
 - (b) The transition services (including courses of study) needed to assist the student in reaching those goals; and

24:05:28:03. Factors in determining placements. Each school district shall establish and implement procedures which ensure that the following factors are addressed in determining placements:

- (1) Each child's educational placement must be individually determined at least annually and must be based on the child's individual education program;
- (2) Provisions are made for appropriate classroom or alternative settings necessary to implement a child's individual education program;
- (3) Unless a child's IEP requires some other arrangement, the child shall be educated in the school which that child would normally attend if not disabled. Other placement shall be as close as possible to the child's home;

- (4) Placement in the least restrictive environment will not produce a harmful effect on the child or reduce the quality of services which that child needs;
and
- (5) A child with a disability is not removed from education in age-appropriate regular classrooms solely because of needed modifications in the general education curriculum.
