

**DEPARTMENT OF EDUCATION
SPECIAL EDUCATION PROGRAMS
Flandreau School District
Accountability Review - Monitoring Report 2022-2023**

Date(s) of Review: October 4, 2022

Date of Report Sent to District: November 10, 2022

All non-compliance must be corrected within 1 year of this report date.

Date Closed: August 25, 2023

Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
- (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
- (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

Administrative Rules of South Dakota (ARSD) are located at <https://sdlegislature.gov/Rules/Administrative/14003>

The district had the following ARSDs identified for non-compliance:

<p>24:05:25:16.01. Participation in IEP meeting</p>	<p>If a purpose of the IEP team meeting is the consideration of postsecondary goals and transition services for a student, and if the meeting is for a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP team, the notice also must:</p> <ul style="list-style-type: none"> (1) Indicate that a purpose of the meeting is the consideration of the postsecondary goals and transition services for the student; (2) Indicate that the district will invite the student; and (3) To the extent appropriate, with the consent of the parents or a student who has reached the age of majority, identify any other agency that is likely to be responsible for providing or paying for transition services and that will be invited to send a representative.
<p>24:05:27:01.03. Content of individualized education program</p>	<ul style="list-style-type: none"> (2) A statement of measurable annual goals, including academic and functional goals, designed to: <ul style="list-style-type: none"> (a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and (b) Meet each of the student's other educational needs that result from the student's disability; (6) The projected date for the beginning of the services and modification described in this section and the anticipated frequency, location, and duration of those services and modifications; (7) A description of how the student's progress toward the annual goals described in this section will be measured and when periodic reports on the progress the student is making toward meeting the annual goals (such as through the use of quarterly or other periodic reports, concurrent with the issuance of report cards) will be provided; (8) Beginning not later than the first IEP to be in effect when the student turns 16, or younger if determined appropriate by the IEP team, and updated annually thereafter, the IEP shall include: <ul style="list-style-type: none"> (a) Appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education, employment, and, if appropriate, independent living skills; and (b) The transition services (including courses of study) needed to assist the student in reaching those goals; and

<p>24:05:27:12. Graduation requirements</p>	<p>Graduation requirements. Completion of an approved secondary special education program with a regular high school diploma signifies that the student no longer requires special education services. A regular high school diploma does not include an alternative degree that is not fully aligned with the state's academic standards, such as a certificate or a general educational development credential (GED). Graduation from high school with a regular high school diploma constitutes a change in placement requiring written prior notice in accordance with this article.</p> <p>The instructional program shall be specified on the individual educational program. The individual educational program shall state specifically how the student in need of special education or special education and related services will satisfy the district's graduation requirements. The IEP team may modify the specific units of credit described in § 24:43:11:02. Parents must be informed through the individual educational program process at least one year in advance of the intent to graduate their child upon completion of the individual educational program and to terminate services by graduation.</p> <p>For a student whose eligibility terminates under the above graduation provisions, or due to exceeding the age eligibility for a free appropriate public education, a school district shall provide the student with a summary of the student's academic achievement and functional performance, which shall include recommendations on how to assist the student in meeting the student's postsecondary goals.</p>
<p>24:05:30:04. Prior notice</p>	<p>Written notice which meets the requirements of § 24:05:30:05 must be given to the parents five days before the district proposes or refuses to initiate or change the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to the child. The five-day notice requirement may be waived by the parents.</p>
