Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

24:05:17:09. Return of information. Local education agencies shall return information on counting eligible children to the Office of Data Collection. Each local school superintendent shall certify in writing that the information provided is an accurate and unduplicated count of children with disabilities receiving special education or special education and related services on December 1 of each school year. If December 1 falls on Saturday or Sunday, the count shall be taken on the first working day following the weekend.

24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

- (3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:
- (a) To advance appropriately toward attaining the annual goals;
 - (b) To be involved and make progress in the general education curriculum in accordance with this section and to participate in extracurricular and other nonacademic activities; and
 - (c) To be educated and participate with other students with disabilities and nondisabled students in the activities described in this section;

24:05:25:03.04. Evaluation procedures -- Notice. The school district shall provide notice to the parents of a child with a disability, in accordance with this article, that describes any evaluation procedures the district proposes to conduct.

24:05:27:15.01. IEPs for student transfers within state. If a student with a disability, who had an IEP that was in effect in a previous school district in the state, transfers to a new school district in the state, and enrolls in a new school within the same school year, the new school district, in consultation with the parents,

shall provide FAPE to the student, including services comparable to those described in the student's IEP from the previous school district, until the new school district either:

- (1) Adopts the student's IEP from the previous school district; or
- (2) Develops, adopts, and implements a new IEP that meets the applicable requirements in this chapter.

24:05:25:22. IEP team to develop individual education program. If the child is determined to be in need of special education or special education and related services, the IEP team shall develop an appropriate individual education program for the child. At the beginning of each school year thereafter, the district must have in effect an IEP for each child with disabilities within its jurisdiction. For children beginning at age three, an IEP shall be in effect by that date. If a child's third birthday occurs during the summer, the IEP team shall determine the date when services under the IEP will begin. All IEPs shall be developed in accordance with the provisions of this article.
