Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

24:05:25:01. Evaluation, consent, eligibility, and placement procedures required. Each school district shall establish and implement procedures which meet the requirements of this chapter, including nondiscriminatory practices, parental consent, initial evaluation, evaluation procedures, eligibility procedures, placement procedures, and reevaluation.

24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

(1) A statement of the student's present levels of academic achievement and functional performance, including:

(a) How the student's disability affects the student's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled students); or

(2) A statement of measurable annual goals, including academic and functional goals, designed to:

(a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and

(b) Meet each of the student's other educational needs that result from the student's disability;

(3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:

(a) To advance appropriately toward attaining the annual goals;

(b) To be involved and make progress in the general education curriculum in accordance with this section and to participate in extracurricular and other nonacademic activities;

ARSD 24:05:30:05. Content of notice. The notice must include the following:

- (1) A description of the action proposed or refused by the district, an explanation of why the district proposes or refuses to take the action, and a description of any other options the IEP team considered and the reasons why those options were rejected;
- (2) A description of each evaluation procedure, assessment, record, or report that the district uses as a basis for the proposal or refusal;
- (3) A description of any other factors which are relevant to the district's proposal or refusal;

24:05:30:04. Prior notice. Written notice which meets the requirements of § 24:05:30:05 must be given to the parents five days before the district proposes or refuses to initiate or change the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to the child. The five-day notice requirement may be waived by the parents.

24:05:24.01:18. Specific learning disability defined. Specific learning disability is a disorder in one or more of the basic psychological processes involved in understanding or in using spoken or written language that may manifest itself in the imperfect ability to listen, think, speak, read, write, spell, or do mathematical calculations. The term includes such conditions as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia. The term does not apply to students who have learning problems that are primarily the result of visual, hearing, or motor disabilities; cognitive disability; emotional disturbance; or environmental, cultural, or economic disadvantage.
