Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)
-

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

- (1) A statement of the student's present levels of academic achievement and functional performance, including:
 - (a) How the student's disability affects the student's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled students); or
 - (2) A statement of measurable annual goals, including academic and functional goals, designed to:
 - (a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and
 - (b) Meet each of the student's other educational needs that result from the student's disability;

24:05:25:26. Extended school year authorized. The district shall provide extended school year services to eligible children if the IEP team determines on an individual basis that such services are necessary for the provision of FAPE.

An IEP pursuant to chapter 24:05:27 shall be developed and implemented by the IEP team that addresses the need for extended school year services. The IEP team shall determine the length of the school day and duration of extended school year services based on the individual child's needs.

In implementing the requirements of this section, a district may not:

- (1) Limit extended school year services to particular categories of disability;
- (2) Unilaterally limit the type, amount, or duration of those services; or
- (3) Apply a regression/recoupment criterion to children in need of prolonged assistance.

As used in this section, the term, extended school year services, means special education and related services that meet the standards of the state and are provided to a student with a disability beyond the normal school year of the district, in accordance with the student's IEP and at no cost to the parents of the student.

24:05:25:04.02. Determination of needed evaluation data. As part of an initial evaluation, if appropriate, and as part of any reevaluation, the individual education program team required by § 24:05:27:01.01 and other qualified professionals as appropriate with knowledge and skills necessary to interpret evaluation data, shall:

- (1) Review existing evaluation data on the child, including:
 - (a) Evaluations and information provided by the parents of the child;
 - (b) Current classroom-based local or state assessments and observations; and
 - (c) Observations by teachers and related services providers; and
- (2) Based on the above review and input from the student's parents, identify what additional data, if any, are needed to determine:
 - (a) Whether the student has a particular category of disability as described in this article;
 - (b) The present levels of academic achievement and related developmental needs of the student; and
 - (c) Whether the student needs special education and related services.

24:05:25:03.04. Evaluation procedures -- Notice. The school district shall provide notice to the parents of a child with a disability, in accordance with this article, that describes any evaluation procedures the district proposes to conduct.

24:05:27:01.02. Development, review, and revision of individualized education program. In developing, reviewing, and revising each student's individualized education program, the team shall consider the strengths of the student and the concerns of the parents for enhancing the education of their student, the results of the initial or most recent evaluation of the student, the academic, developmental, and functional needs of the student. The individualized education program team also shall:

- (1) In the case of a student whose behavior impedes his or her learning or that of others, consider the use of positive behavioral interventions and supports and other strategies to address that behavior;
