Program monitoring and evaluation.

In conjunction with its general supervisory responsibility under the Individuals with Disabilities Education Act, Part B, Special Education Programs (SEP) of the Division of Educational Services and Support shall monitor agencies, institutions, and organizations responsible for carrying out special education programs in the state, including any obligations imposed on those agencies, institutions, and organizations. The department shall ensure:

- (1) That the requirements of this article are carried out;
- (2) That each educational program for children with disabilities administered within the state, including each program administered by any other state or local agency, but not including elementary schools and secondary schools for Native American children operated or funded by the Secretary of the Interior:
 - (a) Is under the general supervision of the persons responsible for educational programs for children with disabilities in the department; and
 - (b) Meets the educational standards of the state education agency, including the requirements of this article; and
- (3) In carrying out this article with respect to homeless children, the requirements of the McKinney-Vento Homeless Assistance Act, as amended to January 1, 2007, are met. (Reference- ARSD 24:05:20:18.)

State monitoring--Quantifiable indicators and priority areas.

The department shall monitor school districts using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:

- (1) Provision of Free Appropriate Public Education (FAPE) in the least restrictive environment;
 - (2) Department exercise of general supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of transition services as defined in this article and article 24:14; and
 - (3) Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification. (Reference-ARSD 24:05:20:18:02.)

State enforcement -- Determinations.

On an annual basis, based on local district performance data, information obtained through monitoring visits, and other information available, the department shall determine whether each school district meets the requirements and purposes of Part B of the IDEA...

Based upon the information obtained through monitoring visits, and any other public information made available, Special Education Programs of the Division of Educational Services and Support determines if the agency, institution, or organization responsible for carrying out special education programs in the state:

- Meets the requirements and purposes of Part B of the Act;
- Needs assistance in implementing the requirements of Part B of the Act'
- Needs intervention in implementing the requirements of Part B of the Act; or
- Needs substantial intervention in implementing the requirements of Part B of the Act. (Reference-ARSD 24:05:20:23.04.)

Deficiency correction procedures.

The department shall require local education agencies to correct deficiencies in program operations that are identified through monitoring as soon as possible, but not later than one year from written identification of the deficiency. The department shall order agencies to take corrective actions and to submit a plan for achieving and documenting full compliance. (Reference-ARSD 24:05:20:20.)

GENERAL SUPERVISION / STATE PERFORMANCE PLAN COMPLIANCE INDICATOR

ARSD 24:05:27:01.03. Content of individualized education program. Each student's individualized education program shall include:

(1) A statement of the student's present levels of academic achievement and functional performance, including:

- (a) How the student's disability affects the student's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled students); or
- (b) For preschool student, as appropriate, how the disability affects the student's participation in appropriate activities;

(2) A statement of measurable annual goals, including academic and functional goals, designed to:

- (a) Meet the student's needs that result from the student's disability to enable the student to be involved in and progress in the general education curriculum; and
- (b) Meet each of the student's other educational needs that result from the student's disability;

For students with disabilities who take alternate assessments aligned to alternate achievement standards, each student's IEP shall provide a description of benchmarks or short-term objectives;

(3) A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:

- (a) To advance appropriately toward attaining the annual goals;
- (b) To be involved and make progress in the general education curriculum in accordance with this section and to participate in extracurricular and other nonacademic activities; and
- (c) To be educated and participate with other students with disabilities and nondisabled students in the activities described in this section;

(8) Beginning not later than the first IEP to be in effect when the student turns 16, or younger if determined appropriate by the IEP team, and updated annually thereafter, the IEP shall include:

(a) Appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education, employment, and, if appropriate, independent living skills; and

(b) The transition services (including courses of study) needed to assist the student in reaching those goals; and

ARSD 24:05:28:02. Continuum of alternative placements. Alternative placements which must be made available include the following:

- (1) Regular educational programs with modification;
- (2) Resource rooms;
- (3) Self-contained programs;
- (4) Separate day school programs;
- (5) Residential school programs;
- (6) Home and hospital programs; and
- (7) Other settings.

For each of the programs listed in this section, the IEP team shall determine the extent to which related services are required in order for the child to benefit from the program. The length of the school day must be equal in duration to that of a regular public school day unless an adjusted school day is required to meet the individual needs of the child. The IEP team shall provide for supplementary services, such as resource room or itinerant instruction, to be provided in conjunction with regular class placement, as applicable.

In those cases where placement is made in a separate day school program or residential school program, the district may abide by the school term of the facility in which the child is placed based on the individual needs of the child.

ARSD 24:05:25:16.01. Participation of student in IEP team meeting. If a purpose of the IEP team meeting is the consideration of postsecondary goals and transition services for a student, and if the meeting is for a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP team, the notice also must:

- (1) Indicate that a purpose of the meeting is the consideration of the postsecondary goals and transition services for the student;
- (2) Indicate that the district will invite the student; and
- (3) To the extent appropriate, with the consent of the parents or a student who has reached the age of majority, identify any other agency that is likely to be responsible for providing or paying for transition services and that will be invited to send a representative.

Parental consent, or the consent of an eligible student who has reached the age of majority under state law, must be obtained before personally identifiable information is released to officials of participating agencies providing or paying for transition services.
